CLOSE SQUEEZE—O. B. Jaynes, publisher, (checked shirt) looks on as new perfecting press is being brought into Desert Sun office. It was such a close squeeze they had to take off the big door to make room. The new, faster, larger press will be in operation soon. (Desert Sun Photo.)

City to Honor War Dead on Wednesday

David W. Dunsworth, chairman of the Joint Veterans Memorial Day committee, yesterday received word from Homer S. Varner, fourth district supervisor, that he will participate in the dedication of flag pole erected in Palm Springs cemetery on Memorial Day next Wednesday.

Financing and construction of the monument is under auspices of Veterans of Foreign Wars Frontier Post, 3987 of Palm Springs.

AT THE SAME TIME Dunsworth announced that plans for the Memorial Day program under auspices of the VFW, Owen B. Coffmann Post, 519, American Legion and Chapter 66, Disabled American Veterans, were completed.

The program will commence at 10:30 a.m. with decoration of veterans' graves by women of the auxiliaries.

Dedication of the monument by Supervisor Varner, Gold Star father, will be followed by a parade. See MEMORIAL, Page 9

THE OPPOSITE DIRECTION Douglas aircraft, prefab snails, Indian ave. and hikes in pay Have convinced our Mayor

Charles Seventh Heaven's the other way.

At least he says it's that kind of a job.

MAYBE, they had been reading the news from Washington. But, anyway, the flag at World War's Memorial Hall was floating upside down the other day. . . Did, until someone called the police and they went over to straighten things up. . .

Bank Colby has passed on but his column is still running. . . It's the first thing I read each morning—After looking at the market quotations from Hollywood—because I learn so much. . . I've always wanted a polite name for people who talk too much. . . And I found one there Tuesday. . . So if you hear me call you a cacophones loquendi, that means, aw, dry up. . . And you can call me an old cacophones scribbendi, which means a guy who writes too much.

HAVE NOTICED in a lot of places bits of cotton hanging on strings. . . Arthur Bliss Conkwright brought one in to me the other day. . . Seems they keep flies away. . . He said that's the answer to the fly problem. . . And we chopped down all of our cottonwood trees! . . . Maybe that's why we are having flies now. . . Vacation starts Monday for 1500 school pupils. . . Two thirds of them of the under-foot species. . . Vacation time for mothers won't start until September 12. . . That's when school re-opens.

WALKED right by an old friend the other day and without passing the time of day and he called me a parapetetic. . . Now, that's only an unreasonable fastidie because I was insulted and didn't stop to ask him to repeat it or spell it. . . Could find it in the dictionary and later asked a learned judge what it meant. . . He said it meant a person who thought while he walked. . . Then I was complimented and called you the original person and thanked him. . . He only said "I always thought you were crazy". . . But I wished we had a few more of those para-etc's. . . It

NEW, FASTER PRINTING PRESS INSTALLED BY SUN

Desert Sun printers, under supervision of Superintendent J. W. Richardson this week are completing installation of new, faster printing equipment, a Duplex web perfecting press.

The press, the first of its kind in Palm Springs, weighs 14 tons and is powered by a 25 horse-power electric motor. It is fed by a continuous roll of newsprint 70 inches wide and weighs 1200 pounds.

The huge press will print 16

LITTLE KNOWN DESERT LABORATORY PLAYS BIG PART IN WORLD POWER

The Coachella Valley is the home and laboratory site of one of America's most important scientists, a man who has been conducting electronics research here for 28 years, and yet he is virtually unknown to desert residents.

He is Dudley B. Clark, tall, bespectacled, grey-haired wizard who has delved into electronics research as a hobby and business since 1907.

HIS ISOLATED laboratory, guarded by three watch-dogs and a battery of floodlights, is located a mile east of Cathedral City. Here Clark, his wife and eight assistants live a life far removed from the prevailing resort atmosphere in the shadows of Mount San Jacinto.

The Clark Electronic Laboratories, incorporated for a half million dollars just last week, has been quietly developing and manufacturing electronic apparatus in the Pioneer Ranch site since before the beginnings of Cathedral City.

CLARK CAME HERE from Buffalo, N. Y., where he started his scientific research, because he is a desert lover and chose the particular spot because it

Vacation

Planners to Rest in July, August

City planning commission will not hold hearings between the fourth Wednesday in June and the second Wednesday in September in keeping with its policy that important zoning matters should not be considered during the months when so many residents are away from the city.

Emergency matters so declared by six or more members of the commission, as well as routine matters not requiring hearings will be conducted as usual. Regular meetings will be held twice monthly.

LOCAL BOYS INVITED TO COMPETE IN ALL-AMERICAN SOAP BOX DERBY

Some Village boy will have an opportunity to go to Akron, Ohio, this fall to compete in the annual 1951 All-American Soap Box Derby, it was announced in a fiasco this week. Elimination races in which all local entrants will compete will be held at San Bernardino July 28.

Sponsored by the Chevrolet company and America's leading newspapers, the Akron race events is taking on the proportions of the annual Indianapolis classic for real cars.

IN PALM SPRINGS, the lads who enter will be sponsored by various merchants. The Desert Sun and D. C. Stachler of Stack's Chevrolet agency here are promoting the event locally and if there is a Palm Springs winner, The Sun will sponsor him in the national finals.

First prize in the Akron finals is a \$5000 four-year scholarship in any university of the boy's choosing. Second is a new Chevrolet.

Soap Box Derby Facts

SPONSORS—The Desert Sun and Stack Chevrolet.

REGISTRATION DESK—Stack Chevrolet, 330 East Sunway Dunes road. (Parents must accompany boy for registration.)

REGISTRATION DEADLINE—Saturday, June 9.

SAN BERNARDINO RACE—Saturday, July 28.

NATIONAL FINALS—Akron, Ohio, August 12.

ASSOCIATE SPONSORS—Bob Bennett, Youth Center; Frank Partridge, Boys club.

INFORMATION—Stack Chevrolet, Telephone 2042.

The contest is open to two age groups. Class A is for lads who will be not younger than 13 or older than 15 on August 12, 1951, date of the finals at Akron.

Class B is for boys who will be 11 and not over 12 on that date.

City Clears Stand on Indian Ave

Prefab Ban is Asked by League

Home Owners Request City to Take Action

Planning Commission Seeking Data from Other Communities

Palm Springs Home Owners League this week presented a motion to city council recording opposition to erection of prefabricated homes in certain areas in Palm Springs and requested that the council take action to make that opposition effective.

The request was filed. The motion, passed at a May 7 meeting of the league, gave as chief reason for opposition to that type of home that would be detrimental to home and land values in certain areas of Palm Springs.

ACTION was brought about by recent construction of a prefabricated home at Calle Rolph and Mesquite avenue by Reginald Fleet of Pasadena.

At its last meeting city council asked the planning commission to take a stand on the issue but commission head Charles Woodman reported Wednesday night that while no official report has yet been prepared, he feels the commission is reluctant to single out prefabricated homes for action.

HE SAID that the commission and the assistant city attorney have written several coast cities to learn their views and experiences with this type home. Meanwhile the city building inspector must submit all prefabricated home building permit requests to the council.

Library

Summer Hours in Effect on Monday

Welwood Murray Memorial library announced new summer hours this week which will go into effect Monday.

Monday through Friday—10 a.m. to 5 p.m.
Monday and Wednesday—7 p.m. to 9 p.m.
Library closed Saturday and Sunday.

Building Fee for Temple is Waived

City council this week waived the building permit fee for construction of the \$100,000 Jewish Community center addition.

Building Inspector P. M. Swart advised the council that waiver for such construction is customary in Palm Springs.

City Officials to Attend League Rally

Four top city officials will be on hand at Polo Grounds Pavilion tonight to hear Judge Roger A. Pfaff of Los Angeles discuss traffic safety.

Those who will attend are Mayor Charles Farrell, Councilmen Florian Boyd and Jerry Nathanson and City Manager Russell Rink.

School Term to Close for 1500 Monday

Commencement at Junior High Monday, High School Tuesday

The school year will end for more than 1500 pupils in Palm Springs Unified School district next week when graduation exercises are held in Palm Springs high school and Nellie N. Coffman Junior high and closing day programs are presented by the five elementary schools.

Official closing day is May 29. Two closing day programs—North End school and Cahulla school will be presented today, 10:45 a.m. at the former, 1:30 p.m. at Cahulla.

CATHEDRAL CITY will present its program at 1:30 p.m. Monday. Desert Hot Springs program was presented Wednesday. Graduation exercises at Nellie Coffman Junior high are scheduled for 7:30 p.m. Monday and at the high school at 7:30 p.m. Tuesday.

It will be the Thirteenth annual program of the high school with the Rev. Robert M. Hogarth pronouncing the invocation. Honor students are Carol Miller, valedictorian and Edward Griffing, salutatorian.

SEVERAL AWARDS are to be presented. Paul Summers, Lions president will present that club's official awards. Hilton McCabe, Owen B. Coffman Post, American Legion, and Archie Bradley, Desert Hot Springs post, will announce selections for the annual Boys State at Sacramento.

Mrs. R. B. Cornell of the local post auxiliary and Mrs. C. B. Nelson of the Desert Hot Springs post will announce the girls to go to Girls State.

SCHOLARSHIP AWARDS will be made as follows:

American Association of Un- See SCHOOLS, Page 10

Bus Station

Local Depot to be Located at Tanners

At 7:40 a.m. today the first Los Angeles-bound Greyhound bus will leave from the new Palm Springs station—Tanner Motor Livery.

The change, after several weeks of conjecture as to where the new station would be, was announced here yesterday by Mrs. Polly Isenaley, manager of the 1090 North Palm Canyon drive agency.

SHE SAID that she received word of the switch by phone Wednesday night from the Los Angeles Tanner Motor office. Last night the last bus rolled from the old agency at Indian avenue and Andreas road, managed for nine years by Rolly Dunlap.

No change in operating schedule will result from the agency move and the telephone number will remain the same. Charles Woods, Greyhound official, will be on duty at Tanner's for several days until a new local ticket agent can handle the job.

Dunlap plans to lease the building which has served as the agency.

YESTERDAY'S announcement ends several weeks of mystery as to the new location. At least two other locations had been mentioned as possible sites, Olman's Travel Service and Sunset House.

According to the Greyhound agency setup, any owner who contracts for the job must supply the building, the agent and all facilities except printed matter which the bus company distributes.

Prior to the nine-year tenure at Dunlap's, the agency was at Plaza garage and still earlier at what is now the Chi Chi restaurant.

Boys will be told where to obtain registration blanks and rule books.

THE CARS must be built by the boys. The wheels and steering assembly may be purchased but the rest of the racer must be the work of the entrants themselves.

Deadline for registering is June 9 and deadline for completing cars July 21.

On July 28 a zone elimination test will be held at San Bernardino. See SOAP BOX, Page 8

Butler is being held in prison rd of San Bernardino county spital pending filing of multiple charges against him. Butler is also said to have the Yucaipa home on fire. Yucaipa Forestry station extinguished the blaze which used about \$2000 damage. So

Taxation

Civic League Plans Equal Taxation

Palm Springs Civic league, a nongovernmental body formed here to "get the taxes reduced," will hold a meeting Monday at 8 p.m. at Wars Memorial hall.

The group has invited all interested Villagers to attend the session when they will map plans to "be a voice of persistent vigilance, demanding fair and equal treatment tax-wise and a representative expenditure by the county, in our community, of tax money it collects."

Organizers of the league are William Foldes, Jerome Lyman Richardson, Noel Clark, John Connors, George Strebe, Max M. Gifford, Herbert W. Burns, Robert Ransom and Mrs. Priscilla Ross.

Nickels

They'll be More Numerous Soon

Fashion note—Nickels will be more common in men's pockets this summer in Palm Springs.

Reason—145 of 394 parking meters will go out of action from June 15 until Sept. 1.

Many Palm Canyon drive lights will soon go off, too.

Summer Closing Days Go Into Effect at The Desert Sun June 1

Effective Friday, June 1, The Desert Sun office in The Center will be closed all day Friday and Saturday. The paper will continue to be issued every Friday throughout the summer. The Palm Springs News—which shares offices in the summer with The Desert Sun—will be issued every Wednesday instead of Tuesday, beginning May 30. It also will be continued throughout the summer.

Council Lists 6-Point Plan for Widening

Indians to Have Say in All Proceedings Regarding Project

In an effort to clear the air on its stand on widening of Indian avenue, city council Wednesday night adopted a six-point resolution outlining its position on the issue.

The resolution states: 1—In all negotiations for easement rights on Indian avenue the Indians of section 14 have the right to participate and their will be heard.

2—THE CITY would like to receive a 60-foot right of way along the mile of street bordering section 14, including a 60-foot right of way curving behind the hot springs.

3—As an alternate, the city would accept a 50-foot right of way, including right of way of similar size around the baths.

4—The city would also accept a 50-foot right of way in front of the baths, instead of curving behind the hot springs.

5—IN WIDENING Indian avenue, construction would not interfere with operation of the baths. Palm trees bordering Indian avenue just south of the hot springs would be moved wherever the Indian owners want them, by the city.

6—The city will pay Indian allottees \$500 for each 165 feet of frontage on Indian avenue with a deadline of July 1. Property improvements which have been installed by lessees and must be removed to make way for the widening will be paid for by the city.

CITY OFFICIALS had no statement to make on current progress of land negotiations for the widening.

Several section 14 property lessees, who have holdings on Indian avenue, spoke up at the Wednesday night council session.

Mrs. Bell B. Hager, who has a home and commercial structure in the mile-long strip, turned in a letter to the council protesting the widening of the street more than 30 feet. Discussing the people who have built along Indian avenue she wrote, "Had these people not built with the confidence of protection of governmental powers in just such circumstances as

The PUBLISHER'S Corner

REPORTS FROM KOREA during the past week indicate that American fighters have held their own against what is probably the greatest odds in modern warfare. The magnificent stand of the Second Division against superior numbers that ran as high as 10 to 1 represents as courageous a defense as recorded in the history of American arms. While our air and sea forces have helped to overcome the superior ground forces of the enemy, the massed attacks of the Chinese Reds could have been stopped only with the brand of determination and spirit that has characterized our fighting forces in that far off land across the Pacific. Every American should be mindful of the heroic sacrifice which these young men are making for their country and its defense of human liberty.

It is regrettable that our national legislators have to be debating the strategy of this Korean war (and the foreign policy of this nation) while these American soldiers, airmen and sailors are fighting and dying in it. All agree that our objective should be to win the war in Korea and halt the advance of Communism in Asia—the thing we started out to do. But the issue became involved with the entrance of the Chinese Communists into the battle for Korea . . . and there are several schools of thought as to what we should do now.

It seems that the wisest course lies somewhere between General MacArthur's "go it alone if necessary" policy and the present plan of holding on and waiting for a break. Americans are against war almost to a man—but many are beginning to wonder if our present policy is not leaving all the final choices to the enemy—and where this will lead us to in the end. Most Americans seem to believe that it is time we were making our own decisions—and not keep on waiting to see what the enemy is going to do.

All the while the war in Korea wages furiously—undecisively—back and forth. We should be thankful for these men who are carrying out the difficult and furious task assigned to them. They are fighting with the spirit of free men and true Americans, and we cannot believe that their sacrifice has been in vain. No matter how many mistakes our civil leaders may have made in the past our fighting forces have always been victorious. The men who gave their lives in the Argonne Forest and on the beaches of Normandy did not die in vain. It is only because of their sacrifice that we are a free nation today.

Incumbents Winners in School Vote

Mrs. Helen Staley,
Hilton McCabe
Returned to Board

Mrs. Helen Staley and Hilton McCabe finished one-two in a field of four in last Friday's school board election and were returned to office by a two to one margin.

Records for the Palm Springs
Bought for Fair

Purchase of the long proposed 40 acre additional to the County Fair Grounds in Indio was effected by the board of supervisors for \$80,000 from the estate of the late George Gonzales.

Negotiations for the purchase were entered into late last year, but were held up due to a cloudy title. Two weeks ago further developments made the purchase undertain due to confusion as to whether the county or the sellers would retain the maturing date crop. The seller will now retain the crop, having footed the bill for cultivation to this point. Fifty thousand dollars of the purchase price will be supplied from state funds, the other \$30,000 from the county.

Air Reservists to Meet Monday in Busy Session

Major Seamus Nunan, commanding officer of the local Air Corps Reserve reminded members and visiting Air Corps Reservists that the Air Reserve offers good training in leadership, as well as promotion and retirement benefits. "Others who can qualify can serve the country and the community in the Air Force Reserve," he said.

The 934th Squadron will meet Monday evening at 8 o'clock at Palm Springs high.

Lt. Warren Empey will present the topic "Logistics." Lt. Don Miller will discuss current matters of interest to Air Corps Reservists. The film, "Report from the Aleutians" will be shown following the lecture and discussion. All members and visiting Air Reservists are urged to attend.

L. A. Judge Will Address League Gathering Here

Roger Alton Pfaff, Los Angeles Municipal Court judge, former newspaper correspondent, attorney, state legislator and army colonel, will speak to 125 League of California City members at Polo Grounds Pavilion tonight.

Subject of the famed jurist's address will be, "A Judge Looks at Traffic Safety." Noted for his progressive methods in dealing with traffic violators, Judge Pfaff will keynote his talk with an outline of his methods for the Citrus Belt Division League members.

JUDGE PFAFF was appointed to the municipal court by Governor Warren in 1947. In 1949 he was elected to a six year term. He has served in the various divisions of the court and during 1948 and 1949 he served as presiding judge of the traffic safety court where he received national recognition for his work in traffic safety.

During those two years Los Angeles advanced from the worst traffic record in the world to the best for any city of its size in America.

HE HAS BEEN a foreign correspondent in the Far East. Was a prominent Los Angeles attorney and a member of the California state legislature.

He served for four years in World War II and was released from the army with the rank of lieutenant colonel.

War Effort

Supervisors Assist
Scrap Metal Plan

As a means of aiding scrap metal collection for the war effort, the board of supervisors Monday by an emergency ordinance amendment dropped the \$25 itinerant junk dealer license fee to \$1.00.

The amendment would affect no other provisions of the ordinance with regard to dealers reporting purchases to the sheriff's department, and will apply only to the itinerant dealer, it was emphasized by the board. Supervisor Beale Barnes made it clear that the measure would not necessarily be permanent, but was done as a means of encouraging scrap metal collection for the present emergency.

Reserves Learn of Investigations

"Investigation at the scene of the Crime" was on the agenda for police reserves this week as Capt. Orest Johnson used that subject for his Tuesday night address to the group.

The lesson was one of a regular and continuous series of classes held for police reserves under direction of the regular police department.

Reserve Captain Rudy Salazar announced this week that Officer Bill McCue had resigned from the reserves and left the city for Phoenix.

Police Chief on Special Board

Chief of Police A. G. Kettmann was named by Mayor George C. Blair of San Bernardino, as a member of a special three-man screening committee to recommend a new police chief for the Gate city. Others on the committee are Chief of Police A. E. Jensen of San Diego and Theodore Sharpe, Glendale personnel director.

The committee met first time last Friday to interview candidates and plans more interviews in the near future.

Explorer Scouts to Have Big Time on Cruiser June 1

Explorer Boy Scouts of Palm Springs and Cathedral City are going to have a day long to remember a week from today, Friday, June 1.

On that day they will go to San Pedro to be guests of Capt. Alexander S. McDill of the U.S.S. Juneau with a thorough tour of the sea fighter and noon meal with the crew as part of the program.

Capt. McDill is an old friend of Capt. Herman Reich, USNR, of the Village Market. He was the local man when arrangements for the tour were made. Capt. Reich is retiring district chairman of Boy Scouts.

Russell Denney of the Desert Bank and Francis F. Crocker of California Electric Power company here will aid Capt. Reich in transporting the Explorer troops, probably a dozen boys, to San Pedro for the big event.

Budget

It Will be Higher
Due to Pay Hikes

Within a week the city's 1950-51 budget will be ready for submission to city council. City Manager Russell Rink announced this week.

Several increased costs will appear on the operating budget, Rink said. Among these is \$20,000 more for salaries, marking the recent \$15 monthly increase granted city council for every city employee.

Cost of operating the fire department will double with the addition of seven men to the payroll and the operation of a second fire house. Budget will probably be submitted at the June 6 council meeting.

Shelves for Ross

At the request of County Recorder Jack A. Ross, the board of supervisors Monday, approved a \$2617 purchase of steel roller shelves.

Can't Hold Back on Praise for Hadacol

Wonderful Formula Relieves
Indigestion, Fatigue, Aches
and Pains, When Due to a
Lack of Vitamins B₁, B₂,
Niacin and Iron

When everybody you know starts telling you how much better you're looking and when all your troubles seem to disappear almost overnight . . . MAN, that's a wonderful feeling! Nothing in the whole world can beat it! That's just what happened to Mr. John P. Ray, c/o the Cassville Democrat, Cassville, Missouri.

Mr. Ray heard how HADACOL was relieving conditions caused by a lack of Vitamins B₁, B₂, Niacin and Iron, and he decided to see what it would do for his aches and pains and stomach distress. So sincere, so straight-forward, is Mr. Ray's letter that we want you to hear about it from him in his own words.

He says, "Before I started taking HADACOL I was rundown and had no appetite whatever. After taking my fourth small sized bottle, I could easily tell that I was feeling better, and now after being on my fourth large sized bottle, I well know of the splendid value it has been to me. Many people I met, who had known me years and years, remarked to me that I was looking better. I told them unhesitatingly that I had been taking HADACOL. I unhesitatingly recommend HADACOL because I well know the fine results it has secured for me. This is the first time in my life I have ever given a testimonial, but I do

feel that a person who has received as much good from HADACOL as I have, should tell others about it. You have my permission to use this statement in any way you desire. It is all true and I do not back down on one word of it, as my neighbors and friends here at home could verify."

HADACOL has been specially compounded to give you more than the minimum daily requirements of these very elements, plus helpful quantities of Phosphorus and Calcium. They're all in the special HADACOL liquid form for quick, easy absorption in the system. HADACOL builds blood hemoglobin (when Iron is needed) to speed these precious Vitamins and Minerals to every part of the body and to every body organ.

Can you doubt an honest statement like Mr. Ray's? Can you doubt the words of your friends and neighbors who have been helped? Why not find out for yourself today. Remember, HADACOL is recommended by many doctors and is sold on a strict money-back guarantee.

Second Fire Station to be Ready in June

Lower Insurance Rates to Follow Added Protection

Palm Springs Fire station number two, located at Ramon road and Sunrise way, will probably hold its open house ceremonies sometime in June, City Manager Russell Rink announced this week.

At that time Villagers will be allowed to tour the brand new facilities in the gleaming structure, hosted by Fire Chief Bill Leonese.

With the operation of the new station, costing approximately \$90,000, Villagers within the near future may receive a bounty in the form of a reduction in insurance rates amounting to approximately \$30,000, it was estimated.

THE REDUCTION in insurance premiums, Rink pointed out, is dependent upon the report of the Pacific Board of Fire Underwriters to the Pacific Fire Rating board. A representative of the former organization recently completed a survey here.

In his report will be included the doubling of the fire department personnel under Fire Chief Bill Leonese to 14 men, an increase in the volume of water flow from fire hydrants spotted throughout the Village and the addition of 50 new fire hydrants.

RINK ALSO pointed out that a new \$20,000 truck and pickup truck will be stationed at the new fire house. The furniture, equipment and the building, the city manager said, will cost approximately \$90,000.

The 1950-51 budget, Rink said, will include salaries for the increased personnel and the operation of the new station.

Board Passes Up Aid for Library

Filled without comment by the board of supervisors was the request that the county library have the same tax support as county libraries in adjacent counties.

The request was a resolution submitted by the Division of Education and Information of the Riverside County Disaster Council over the signatures of Edwin T. Coman, Jr., UCR librarian, and library member of the Division.

Supervisors Hope to Hold Budget to 1950-51 Figures

The proposed salary increase of nearly 100 county employees will lead to no good come budget time, was the thought of Supervisor William Jones Monday.

Jones gloomed that already \$271,000 would be eaten up by salary raises already granted. The new proposal, arrived at as a means of equalizing county salaries, will reach approximately \$18,000. And salaries of hospital and health department employees and county justices will be also given a hearing for raises, Jones commented.

JONES WAS of the opinion that expenditures of county government would be reasonably higher than last year.

Supervisor Sherman Lewis disagreed, observing that the proposal was not an increase in salary but an equalization of wages with regard to duties performed. He added that the approval had the endorsement of his district's advisory group.

Jones, who stated he thought the matter was on the agenda, wished salary considerations put off until budget time until tax groups could have their say. He was informed by County Council William O. Mackey that the proposal was now only in rough draft and not ready for presentation to the board.

Valley Bar Ass'n Plan Discussed

Formation of a Bar Association to include attorneys in Coachella Valley cities will be discussed next month it was decided at a meeting of Palm Springs lawyers last Friday. Ten attorneys met at the Chi Chi Friday to talk over the proposal.

Jerome Richardson, Rex Hardy and Eugene Theriau were chosen to investigate conditions and feelings on a Coachella Valley association with attorneys in Indio, Mecca, Coachella and other southeastern communities.

Theriau said that more active use of the Superior Court branch in Indio may make the Riverside County Bar association inadequate for desert lawyers and a more close-working group may be desirable.

The proposed body would also cooperate with the California State Bar group and comply with their recommendations.

Legion to Install New Officials at Meeting June 5

Graham Dexter, newly chosen Owen B. Coffman Post 519 American Legion commander, will be installed with a slate of eight other officers June 5 at Wars Memorial hall.

Larry Richards, chairman of the installation committee, said that the group is planning to bring Arthur Caldwell of Beaumont, past district commander, here for ceremonies. He also expects to have as many past commanders as possible on hand for the ceremonies. The Legion has been established here since 1930.

Other officers who will be installed are: Don Burns, first vice commander; Rudy Salazar, second vice commander; Fred Ross, adjutant; Allan Wilson, chaplain; Elden Randolph, historian; James Puentes, sergeant at arms; Hilton McCabe, judge advocate; and Don Sloan, finance officer.

Masonic Luncheon Off, Picnic in On

Regular luncheon meeting of Palm Springs Masonic club slated for this noon, has been postponed.

Flood Budget

Zone Six Board Meets Tomorrow

Commissioners of Zone Six, county flood control and water conservation district, will meet tomorrow morning at Culver Nichols real estate office, 861 North Palm Canyon drive to discuss projects for the new fiscal year and to set up a budget upon which the 1951-52 tax rate will be based.

It will be a public meeting, Culver Nichols, chairman of the board said. Other members are W. R. Hillery and Herbert Samson.

The meeting will open at 10 a.m. Requests from the public for flood protection projects and plans for new projects and continuation of current work, will be considered at the meeting.

Last year Zone Six tax rate coupled with county administration, seemed like a party being held at the height of the winter season.

Table parties ranged from twosomes to ten and fifteen.

Multiple Charges Face Villager in San Bernardino

Yucaipa Constable Roscoe Deaton wrested a 22-calibre rifle from the hands of William Butler, 44, of Palm Springs last week after Butler had allegedly threatened to kill his estranged wife, Mable, living in that community.

According to the constable's report, Butler fired at Deaton with Deaton hanging onto the front of the rifle until the piece jammed, whereupon he was disarmed by Deaton and knocked to the ground.

Deaton honked his car horn set the Yucaipa home on fire; rived to help him, the police report stated.

Butler is being held in prison ward of San Bernardino county hospital pending filing of multiple charges against him.

Butler is also said to have set the Yucaipa home on fire, the Yucaipa Forestry station extinguished the blaze which caused about \$2000 damage. So

the defendant may be liable to charges of arson, attempted murder, resisting arrest, firing at an officer of the law, drunken driving, breaking and entering and violating a superior court restraining order, Deaton said.

The Annet Sitt—3
Palm Springs, Fri., May 25, 1951
court restraining order, Deaton said.

SEASON'S BARGAIN

This two bedroom, two bath furnished home with a den and powder room is, indeed, an end-of-the-season value. On a corner lot with sprinkler system, it is also nicely planted and fenced. Never lived in, the furnishings brand new and tastefully done by Bullock's. Must be seen to be appreciated.

Telephone now for an appointment to inspect.

Miss Ransom's Engagement is Announced

Mr. and Mrs. Robert Ransom of Palm Springs announced the engagement of their daughter Beverly to Oliver Ernst, son of Mrs. Edith Ernst of Coronado and the late Oliver Ernst. The news was a surprise told to the large group of guests invited to the Beverly Hills Club for cocktails and dinner Sunday evening.

Picture of a Young man enjoying FRYERS from SAFEWAY

Watch a youngster (age 6 to 60) bite into a piece of fried Safford chicken. The happy expression that comes to his face is ample proof of the wonderful flavor of these select fryers. It's a flavor that is grown in the bird through special feeding which produces tender, sweet meat. This goodness is carefully safeguarded by means of rigid quality control to bring the chicken to you at its very best. Each bird is completely cleaned and dressed—ready for the pan.

NEW DODGE "Job-Rated" Trucks

The trucks that do the most for you

Why a "Job-Rated" truck is your safest investment

A "Job-Rated" truck is engineered at the factory to fit a specific job... save you money... last longer. Every unit from engine to rear axle is "Job-Rated"—engineered to haul a specific load over the roads you travel and at the speeds you require.

Every unit that **SUPPORTS** the load—frame, axles, springs, wheels, tires and other—is engineered right to provide the strength and capacity needed.

Every unit that **MOVES** the load—engine, clutch, transmission, propeller shaft, rear axle and others—is engineered right to meet a particular operating condition.

Safer stops with "Job-Rated" brakes
Step on the brakes of your Dodge "Job-Rated" truck and you're sure of smooth stopping action far in excess of normal requirements. You get long-lasting Cyclebond "no-rivet" brake lining—with lining area increased as G.V.W. rating goes up! Now, on models 1½-ton and up, except air brake models, you get another Dodge "first"—new Tapered, Molded Cyclebond brake lining. It's longer-lasting, extra quiet—free from "squeal." Independent hand brake also adds to safety.

Safer steering and easier handling
Now, you can maneuver your Dodge "Job-Rated" truck with less effort! Steering is more accurate. New easy-acting worm-and-roller steering gears on many models. To make driving still safer, Dodge "Job-Rated" trucks have new, shorter turning diameters. You also get the easy-handling advantages of cross-steering, short wheelbase, wide front tread. All these features add up to the easiest handling truck on the market!

Safer visibility with "Pilot-House" cabs
When you drive a Dodge "Job-Rated" truck you look through the biggest windshield of any popular truck! You have a clear close-up of the road, made possible by new, lower hood line. For even greater visibility you can get De Luxe and Custom cabs with rear quarter windows. All-steel "Pilot-House" cabs provide extra safety, too. Top, floor and sides are welded together—not bolted! No wonder owners agree that Dodge "Job-Rated" trucks are the safest on the road!

FLUID DRIVE now available
Only Dodge "Job-Rated" trucks offer this great "exclusive"—available on all ½, ¾, and 1-ton models and Route-Vans. Helps assure less wheel-spinning on slippery surfaces... less tendency to spin in mud, sand, snow or wherever the going is tough. What's more, gyrul Fluid Drive makes driving easier, helps protect loads, lowers upkeep costs, and lengthens truck life.

Come in today... see and drive the "safest" truck on the road... a **DODGE Job-Rated TRUCK**

Lions Stage Installation Dinner Dance

Local Lion Club president Paul Summers was installed for the 1951-52 term of office last night at a Palm House dinner celebration.

Co-chairmen of the evening, Joe Henderson and Jimmie Cooper, rushed ceremonies to an early conclusion and for the remainder of the evening the Lions and their Ladies night guests enjoyed dining and entertainment.

Other officers installed last night are Earl Hough, first vice president; Gene Thierau, second vice president; Ralph Nesmith, third vice president; Roger Williams, secretary; and Armand Tournet, treasurer. Charles McGann is outgoing president.

Webers Take Off for Auto Jaunt and Mountains

Jan and Jere Weber left Palm Springs Tuesday on the first lap of a vacation jaunt which will include Arizona and New Mexico on an automobile trip and then their usual stay at Ed Bunker's ranch in the San Jacinto mountains. It is their sixth season at the ranch.

Weber, who has been active in the Hotel and Apartment Association, being president for the past year, and in other civic affairs, has a new project. He has been named chairman of Kiwanis club's underprivileged children committee and says he plans to devote most of his time outside of his regular position as manager of Palm Springs Pueblo, to this project.

The Webers will return to the Pueblo to open it for the new season on October 1.

Awards Given Dance Pupils

Pupils of Trixie Jarrette's Dance studio, 670 Calle Palo Fierro, were awarded two trophies at an end-of-the-season party held Wednesday at 3:30 p.m.

For excellent work, ensemble and interest in classes, the Peasant Fantasy Ballet group, some 25 girls, and the Citronen Ballet group, another 11 girl dancing group, were presented the "Oscars."

Refreshments were served at the party.

Mrs. Jarrette has discontinued classes here until Sept. 15. This summer she will operate a Long Beach dance studio.

Naval Officer Guest in Village

Mr. and Mrs. Herman Reich entertained Capt. and Mrs. Alexander S. McDill at their home here last Sunday. Capt. McDill is commander of the U. S. light cruiser Juneau, now at San Pedro.

Capt. McDill and Mr. Reich were classmates at Annapolis naval academy.

Party Closes School Year for Group

The home of Dr. and Mrs. Sydney Niles, 240 Ocatillo, was the scene of the final party of the school year for the kindergarten parents of Cahuilla school. Dinner and games marked the evening.

Special guests were Mrs. Alma Gilbert, principal of the school, and Mrs. Myrtle Kellogg, kindergarten teacher.

Junior High Plans Dance This Evening

Third dance of a successful social season will be staged tonight by Junior high pupils at the Youth Center. It will be a graduation dance with refreshments and entertainment. Dancing will be from 7:30 to 10:30.

Shirley Woodward is in charge of arrangements and members of the faculty will be guests.

University Women Enjoy Supper Event

Palm Springs chapter of the American Association of University Women met Tuesday night at the home of Mrs. Herbert Burns for a pot luck supper with 50 members and guests present.

Palm Desert Sunbeams

By EDITH EDDY WARD

A high point was reached this weekend in informality, centered around Palm Desert and the hundreds of resorters who made the trek to the desert for all the activity.

Gloria Blondell was visiting her sister, Mrs. Vic Hunter, a Palm Desert guest with her husband. Society columnist, Magna Thorsen was there talking to Mr. and Mrs. Dick Mathison, who are here from Fortnight magazine to do a story on the Coachella Valley and the Great American Canal, which Dick claims will soon turn the area into one of the largest resorts and agricultural areas in the world.

Polly Wilson arrived with her guests from Flintridge, Mr. and Mrs. Robert vomClef. The Tiny Naylors announced that they would soon be leaving to spend the summer in Honolulu, but until then would be vacationing on the desert.

At the Shadow Mountain Club, the crowd increased for dinner in the terrace pavilion, and a special show arranged by Cliff Henderson. Under the stars Cliff presented a film on "Man's Fight to Fly," narrated by Zeno Klinker, followed by excerpts of films by Edgar Bergen, who was also here for the night. The crowd was watching Ralph Staub's Screen Snapshots, and it seemed that the evening had just begun. A representative of Look magazine informed everyone that his publication is coming to the desert with a story on Palm Desert.

Magna Thorsen's guest, Suzanne Rosser made a surprise

announcement that she would go East to marry motion picture star, Dick Foran, and live in New Jersey on his farm.

Arriving from Detroit for a short stay is Al Drury, a former business associate of Harry Holt, who entertained him at a party with Mrs. Sallye Lasley, and his daughter and son-in-law, Mr. and Mrs. Kenneth Kaufmann. The Kaufmanns have just finished a ranch near Tehachapi, and are resting on the desert after months of building.

Russel Harriman stopped by his old vacationing grounds before returning to Las Vegas, and very active around the club is H. B. Fisher of Los Angeles. He and O. L. Waller have decided also to buy the Paul McElwain home and share it together with their families.

McElwain is a Buick dealer from Coos Bay, Oregon, and Fisher is a Buick dealer from Los Angeles. Hardly an automotive line that isn't represented in Palm Desert among the many families.

The Millikens, automobile dealers from Culver City, entertained last week at a barbecue for Dick Winans, and a minor celebration was held for Sallye Lasley, who received a fifty cent dividend check from her oil stock.

Another Shadow Mountain guest this week is Frank Griffin, a motion picture star and his own right, and brother to the attractive Debra Paget. The Griffins will stay in Palm Desert for awhile before returning to Los Angeles.

Cahuilla Chapter DAR Members Attend Two Important Meetings

Although the final meeting of the local season has been held, members of Cahuilla chapter, Daughters of the American Revolution, are still actively engaged in the organization's affairs.

Eight chapter members attended the Southern California council of the N.S.D.A.R. last Tuesday at the Mission Inn, Riverside. The agenda consisted of a regent's meeting, council meeting, luncheon and a general meeting and the members received a wealth of information to present to their own chapter at its next meeting. Probably the most important and interesting item on the agenda was the report of the 60th Continental Congress which has just adjourned in Washington, D. C.

The trip to 29 Palms on Wednesday was a memorable trip for the five D.A.R. members of the Cahuilla chapter, Mrs. Harry Brott, Mrs. Perle Swart, Mrs. Frederick Watson, Mrs. John Williamson and Mrs. Douglas Doyle, where they were guests at an organizational luncheon meeting of the 29 Palms new D.A.R. chapter, Oasis de Mara. Mrs. Howard S. Miller, Organizing Regent of the new chapter introduced Mrs. Edgar A. Fuller, State Regent of the N.S.D.A.R., who installed the officers and gave a very inspiring talk on "Americanism."

The highlight of the luncheon for the Palm Springs members was the presentation by Mrs. Harry Brott in behalf of the Cahuilla chapter of the "Good Citizenship Pilgrimage" pin to the Oasis de Mara chapter, who in turn asked Mrs. Brott to present the pin to Miss Barbara Swain, a senior at the 29 Palms high school. The "Good Citizenship Pilgrimage" pin is presented to a senior high school girl who has demonstrated the qualities of dependability, service, leadership and patriotism.

Capt. Martin Guest Here

Captain George Martin, veteran of three and one half years in Korea, was a guest last week in the village at the home of Mrs. Kay Yager. Capt. Martin returned to San Francisco a month ago after active participation in the Korean fighting as an infantry commander. He was in on the Inchon landing and several other Korean engagements, receiving three silver stars and three purple hearts. He has been in the army nine years.

Other guests over the weekend at the Yager home, 2609 Morongo Trail, were Mrs. Ruth Waite and daughter, Judy, of North Hollywood.

Mrs. Lund Guest in Palm Springs

Mrs. Mollie Lund returned to her home in Los Angeles today after a week's visit with Mrs. R. F. Graettinger.

Mr. and Mrs. John Hardy were guests of the Graettingers last week.

Aide for Mackey

The board of supervisors Monday ok'd the request of County Council William O. Mackey for one additional legal secretary to cope with the present press of work.

Well Known Villagers Wed at Beach

Word was received here Monday of the marriage of Roland Vaile, former manager of KCMJ, and Miss Elise MacNeil, staff member at Wellwood Murray Memorial library, at Newport Beach Sunday.

The well known Villagers exchanged vows at the home of the bridegroom's brother, David Vaile.

Roland Vaile, former member of the school board and active with Palm Springs Lions club and other civic affairs, is connected with KVVU at Ventura. The bride has been actively engaged in Girl Scout work in the Village.

They will divide their time between Palm Springs and Ventura. The couple was married by Governor Warren in 1947. In 1949 he was elected to a six year term. He served in the various offices of the court and during 1949 he served as judge of the traffic safety where he received national recognition for his work in traffic.

During those two years Los Angeles advanced from the worst record in the world to best for any city of its size.

HAS BEEN a foreign correspondent in the Far East, was prominent Los Angeles attorney and a member of the California state legislature.

He served for four years in War II and was released from the army with the rank of lieutenant colonel.

Recital at Church Set for Tomorrow

Vocal and instrumental numbers will feature a recital at 4 p.m. tomorrow at Community church. Lois Lux, church accompanist, said Tuesday.

Young pupils of Alex and Wayne Hammond will be heard in vocal numbers and Jack MacDonald, trumpet, and Dick Blackstone, cellist, pupils of Gustav Patzner, will be heard in instrumental numbers.

Mrs. Lux will accompany both groups.

Mrs. Ruskin Elected by School Group

Election of Mrs. Saul Ruskin as president and presentation of an award to Miss Katherine Finchey, retiring local educator after a quarter century of service here, marked the final meeting of the year of the North End School Fellowship last week. A box supper on the school grounds closed the season.

Mrs. Arthur Greenfield made the presentation to Miss Finchey who was instrumental in founding and sponsoring the North End school group. A pocket edition of Roget's Thesaurus and of Webster's International dictionary were given Miss Finchey with appropriate words of appreciation for her "devotion and service" to the schools of the Village.

Mrs. Ruskin succeeds Mrs. Roger Williams as president. Other officers are Mrs. Jules Howard, Vice-president; Mrs. Paul Payne, secretary; Miss Angela Brennan, treasurer. Mrs.

Honolulu Jaunt for Ida Keeney

It's to be a Honolulu vacation for Ida Keeney.

She plans to sail Monday for the Islands and will do stenographic work there until the fall when she returns to the Village.

Miller Host Old Friends from East

Local businessman Frank Miller and his family are playing host this week to his boyhood friend, Fred Lee and Mrs. Lee, from Syracuse, N. Y.

The couple are staying at the Miller home, 221 Via Colusa.

OFFICIAL REGISTRATION
FIGURES SHOW 92%
OF ALL MERCURY'S BUILT
STILL ON THE ROAD!

Here's the proof. Official registration figures in the most recent annual reporting of all cars in service, show that 92% of all Mercurys built for use in this country are still in registered operation. Here is proof of durability through the years—and the 1951 Mercury is the greatest of them all!

When you buy a new car today, chances are you want assurance it will serve you faithfully for a long, long time if need be. With Mercury you are sure—backed by proof, not claims—that your Mercury is built to last for more years than you may ever need. And that means extra strength, extra safety, and unbeatable economy of operation and upkeep!

Villagers Seeing the World, Scattering Far and Wide on Tours Across the Water

By Jan and George Olman

Villagers are traveling in all directions! And a group of Palm Springs residents have taken over Waikiki and the Royal Hawaiian for the next week or two! Sailing on the Lurline May 16 were Mrs. Vivian Summerfield, Mrs. Juana Warner, Mr. and Mrs. Joseph Tiano, Mr. and Mrs. Karl Friermuth, Dr. and Mrs. Alkin, Mr. and Mrs. Arthur Allen. We saw them off on the ship and then George Olman flew over to Honolulu on Pan American and was on hand to board the ship off Diamond Head and ride into the harbor with them! From a telephoned report to your stay-at-home part of this reporting team—all were having fun.

ALSO TO HAWAII on same sailing—Mr. and Mrs. Sam Levin of the Palm Springs Biltmore; Mr. and Mrs. Chauncey Stormes; Ray Wilsons, and returning from Honolulu by air—Stan and Hermine Rosin, who now want to turn around and go right back again!

AROUND THE WORLD — the "can't wait's" are over with and they are on their way! Elizabeth Adams and Margaret Hanbury sailed on the PRESIDENT CLEVELAND for their second trip aboard this luxurious cruise ship to the Orient—only this time they'll change ships at Yokohama and continue on around the world to France on the PRESIDENT POLK — stay a month, so visiting Paris and the Riviera and then return to New York and Los Angeles on the PRESIDENT MONROE! They've promised to keep us posted with postcards enroute!

ALSO AROUND THE WORLD — but a different routing — Gertrude and Joseph Walker leave this weekend on a leisurely cruise aboard a Dutch freighter . . . sailing through the Panama Canal to Trinidad, South Africa, Ceylon, India, Singapore, Java, Manila, Honolulu, and home — five months later. And on one of the most beautiful and comfortable freighter ships you've ever seen . . . cocktail bar, lounge room, wide deck space, dining room, large airy rooms. They'll spend about three weeks in South Africa and about three weeks in India.

HOW GAY CAN PAREE BE? Ask Georgine and Paul Art! They sailed on the CARONIA May 8th for Europe and are in Paris—driving around in their little Hillman Minx they purchased for their four month tour around the European countries! And in July they have a date to meet with EMILY and MAX and HWAB, who flew over TWA for their annual visit in Switzerland and their shopping tour for the Alpenrose Shop in the Center. Enroute the Schwabs are visiting Madrid, the beautiful Balearic Islands, Barcelona, and then to their second home in Geneva. A postcard from Madrid says "it is lovely, very clean . . . the Palace Hotel is very deluxe and we can highly recommend this hotel".

BELATED HONEYMOON TRIP TO ENGLAND—DAVID LYONS

Villager Guest at Balboa Beach

Mrs. Mabel Russell of the Village spent the weekend at Balboa Inn in Balboa where her husband, Jack Russell is playing piano and organ and Mr. and Mrs. Richard Dent are hosts and hostesses.

Miss Lindley Honor Guest at School Program

A program in honor of Mrs. Della Lindley, pioneer teacher at Thousand Palms school, was held at the school Wednesday evening. Miss Katherine Finchey, former superintendent of Desert School District, was in charge of the program.

Mrs. Finchey presented a plaque which will be placed on the building bearing the description, "To Della Lindley—in appreciation of her pioneer service to the children and parents of Thousand Palms school, 1929-1945."

Thousand Palms residents who were members of the board of trustees at the time Mrs. Lindley was teacher also participated in the program.

Housewarming Surprise for Mrs. Whidden

Nearly 100 Hotel association members and friends of Mrs. Ruby Whidden gathered at her new home, 4014 San Antonio avenue, for a surprise housewarming party Tuesday afternoon.

After three years service as secretary of the association and two years as manager of Vista del Sol apartments, Mrs. Whidden with son "Butch", has withdrawn from active participation in hotel activities.

The former World War II army nurse captain, here for her health, was presented an automatic washing machine and several other gifts by her housewarming guests.

Arranger of the party was Mrs. Sylvia Clark, association member.

Job's Daughters Install Officers at Ceremonies

International Order of Jobs Daughters, Bethel 186, installed their officers for the next six month term, Tuesday evening last week at the Masonic hall.

Those installed were: Sylvia Nelson, honored queen; Patricia Sproule, senior princess; Carolyn Harper, junior princess; Mary Jean Lennie, guide, and Katherine Wallace, marshal.

Herbert Samson, master of Masonic lodge, acted as master of ceremonies. Mrs. Mildred Herkelrath was guest soloist for the evening. Ushers and flag bearers were Eddie Knupp, Jack McDonald and John Sanborn of Palm Springs chapter of De Molay.

Bill Weeks presented the jewels to the honored queen and the past honored queen, Irma Taucher.

Racquet Club Experiment With "Stay Through May" Great Success Says Farrell

The Stay Through May idea is really catching on.

In fact, according to Charley Farrell of the Racquet Club, it's here to stay.

Last Saturday night, Farrell, mayor of the town and also impressario of the Racquet club staged his first big party as late as May 19.

And the club was jammed with Villagers and visitors, many who had left coming back for the event and admitted they had jumped the gun in going out before June 1.

Ron Perry of New York furnished the smooth music for the dancing, the food was excellent and the crowd gay.

Next year, Farrell said, he's going to be prepared for full scale operations in May. This year, last Saturday's party was something in the line of an experiment.

"Members have been asking me to stay open through the month of May," said Mayor Farrell, "but I've been a little shy at doing it in past years. I expected some people at this affair tonight but not the crowd that came. I now wish that I had made plans to continue full operations throughout the month."

He explained that he could not do so because most of his key employes have already obtained summer employment—and they're a week late in reporting for their new jobs," added Farrell.

Nevertheless, continued the mayor, the swimming pool and the bar will continue to stay open until the end of this month.

The Saturday night event, reported Villagers who were present, seemed like a party being held at the height of the winter season.

Table parties ranged from twosomes to ten and fifteen guests. Among those present and spotted around the room were: Mr. and Mrs. Kenneth Kirk, Mr. and Mrs. Harold Hicks, Mr. and Mrs. Charles Mathews, hosting a large party; Mr. and Mrs. Milton Hicks, Mr. and Mrs. William Brooks and Mr. and Mrs. B.C.; Dr. and Mrs. John Costello, Bill and Vicki Malouf, Mr. and Mrs. Ed Falgren, Mr. and Mrs. Fred Clappett, Dr. and Mrs. Markell and many others too numerous to mention.

"Next year I'm going to be prepared for a full month's operation in May," declared the jubilant Farrell. His words were echoed by Sherman Hull, manager of the Racquet Club.

Morongo Valley to Stage Annual Bar-B-Q Sunday

Fifth annual barbecue will be staged by Morongo Valley Chamber of Commerce next Sunday at the Juniper Tree Cafe, it was announced this week.

The event, a non-profit affair staged just for fun, will get underway at 11 a. m. and continue until well into the night.

Plenty of entertainment is in prospect, the backers say with special events planned afternoon and evening.

Evil-Smelling

Outside of That,
Fire Loss Light

Someone has been dumping rubbish illegally on desert property belonging to W. B. Coble and located northeast of the Village. Then someone else dumped hot ashes there and started a fire last Sunday.

Cathedral City state forestry fire fighting units were summoned to subdue the blaze.

Outside of ill-smelling fumes which aroused protests from residents, no damage was done.

Rescue Register is League Plan

Plans to establish a register at Idyllwild fire station for all visitors to uninhabited areas in the San Jacinto mountain area were launched last week by Idyllwild chapter, Izaak Walton League.

The plan was broached after the tragedy two weeks ago when a father and son lost their lives in a snowstorm with possible rescue near at hand but ignorant of their presence in the area.

Community Sing at Cathedral City

Another in a series of Community Sings at Cathedral City Community church is scheduled for Sunday evening at 7:30.

There will be favorite songs, old and new, religious and otherwise, to be followed by refreshments served by women of the church.

The events are open to the public.

Approve Request of DHS for Roadway

Supervisors Monday approved the recommendation of the County Planning Commission that a 60 foot right of way be acquired extending Hacienda road for a distance of one-half mile to the county dump site on Wide Canyon Road in the Desert Hot Springs area.

Action of the planning commission was taken at the behest of residents who requested access to the dump.

NEWS OF THE DESERT EMPIRE

Fair Board's Request for Fewer Fairs Turned Down

Supervisors turned a deaf ear to several proposals of the County Fair board when they were asked to endorse by resolution for forwarding to Assemblyman John Babbage and Senator Nelson Dilworth the fair board's opposition to "any and all special appropriations for any and all fairs for any purpose."

Supervisor Sherman Lewis considered this proposal a bit ironic in view of the special grant to Riverside county of \$50,000 for purchasing of an additional 40 acres for the county fairgrounds at Indio.

Another proposal raising the

eyebrows of the supervisors was opposition of the fair board "to creating any and all new fairs."

The fair board also went on record as opposing an "All-Pay Gate," and division of incomes to the fair and exposition fund from racing, such as "charity days."

Favored, however, were all state bills extending audit control, contract supervision, increase of construction projects, and granting of directors power and responsibility for setting up of policy.

The matter was referred to the county counsel and the supervisory fair committee for study.

Villager Named Principal of New Cabazon School

D. H. Biewer, retired naval official, who has been on the staff of the Palm Springs Unified School district this year, has been named principal for the Cabazon school district.

Announcement of the appointment was made this week by the Cabazon school board. Biewer succeeds Tom Nicholson, principal for several years who has assumed the Morongo school principalship.

Voters of the Cabazon district recently voted bonds for a new school building which will be ready by the start of the fall term.

County Votes Aid for Hiking Trail

The board of supervisors Monday at the request of County Road Commissioner A. C. Kieth approved funds for a field survey to determine the legal description of Idyllwild properties to be condemned by the county for the State Riding and Hiking Trail.

The Trail, extending throughout the State, has been held up by two of the mountain property owners refusing to grant right of way. Although condemnation proceedings had been approved by the county several weeks ago, action has been held up due to adequate survey of the property.

Bikes and Health Subject of Talk

Hans Ohrt, well known bicycling expert who, with his wife, made many tandem rides from Beverly Hills to Palm Springs, will be the speaker today before Palm Desert Rotary club on the topic: "Bicycling and Health."

Ohrt is now a resident of La Quinta and more of an enthusiast for the desert than ever. The Ohrt tandem is seen daily on the desert roads in that vicinity.

On August 1 they leave for Europe and will attend the world championship bicycle races at Milan, Italy, the week of August 25.

Convention

City Official Leaves for Rotary Event

Atlantic City and the four-day Rotary International convention there starting Monday, plus a swing around the country, are the objectives of Robert W. Peterson, city treasurer, and Mrs. Peterson who left the Village Saturday evening for a three-week auto trip.

Joining delegates from around the world, the Petersons will stay at the Dennis Hotel at Atlantic City. The hostelry is reported to be reserved almost exclusively for visiting Californians at the big get together.

Following the convention and a visit to New York's regular tourist attractions, the city treasurer and his wife will weather permitting, turn south and come home via New Orleans. Just a few weeks ago Peterson gave up the gavel of Rotary presidency to Robert Bennett and he is now serving on the board.

Cherry Festival at Beaumont June 14-17

Beaumont will stage its annual Cherry Festival June 14 to 17 and plans for the event are already well under way.

Ten girls are seeking the honor of being queen of the event and voting is already brisk. Beaumont Lions club is handling the queen contest.

Fire Season Delayed by Late Rainfall

Fire lookout stations will be opened in the mountain area back of the Village early next week, much later than had been planned.

Late April storm, said Larry Smith, U. S. forestry service fire control assistant, delayed the start of the fire season.

Daughter Arrives for Cathedral City Home

Ruth Lynn Tuchfarber arrived at Community hospital last Thursday and this week went with her mother, Mrs. Harold Herbert Tuchfarber to the family home at Cathedral City.

Her father is a carpenter.

DAV Installation Held at Riverside

New officials of Palm Springs Chapter, 66, were installed at a Disabled American Veterans district meeting at Riverside Sunday.

Installed as commander was Frank Sanders. Others installed were senior vice-commander, John Singer; junior vice-commander, Sid Greenleigh; sergeant-at-arms, Adolph Benzing; service officer, Jim Ormiston; chaplain and judge advocate, David Dunsforth; adjutant, Mrs. Everil H. Kludt. Kenneth Fehr, member of the local post, was elected senior vice commander of the eight district and Everil H. Kludt endorsed for vice-commander at large for the DAV department of California.

Tourists Leave More Than Quarter Billion in Southland

It pays to advertise—especially when you have the product to sell.

Walter Braunschweiger, newly-elected president of the All Year club of Southern California pointed this out this week when he released the club's report of activities during the past fall and winter.

Sunny skies and vigorous promotion of the tourist trade brought more than a quarter

billion dollars of extra business to the southland between September and February.

EXACT FIGURES, released by the club's president in reporting its 30th year as the southland's community tourist advertiser, was \$239,673,000. That was \$11,000,000 more than was spent last year—when the weather its 30th year of as the south was not quite as sunny.

"These are out-of-state dollars which enriched the South-ern California economy," Braunschweiger pointed out. "They spread over the community rapidly—for food, accommodations, clothing and other retail purchases, entertainment, and all manner of services."

"THE RESULT of this influx of 'new money' is a quickening of our business activity, and greater employment."

Col. Bowman Heads Indio Post

Colonel Walter C. Bowman of La Quinta, who maintains law offices in Indio, is the new commander of Bill Huntington Post, 3699, Veterans of Foreign Wars of Indio.

Col. Bowman has a distinguished war record and has been active in veterans' organizations since.

Run Down by Hogs Woman Asks Balm

Board of supervisors Monday rejected the claim of V. D. and Lula A. Sutton for injuries allegedly incurred during the Riverside County Fair at Indio.

Claiming she was hurt by a flock of hogs charging down a runway, Mrs. Sutton is seeking \$1500 as the result of being "injured in nerves and body."

Desert Wide Animal Shelter Planned

Plans for the establishment of a desert wide animal shelter will be discussed Friday, June 1, at a meeting at El Paso. It was announced this week.

The meeting will be called to order at 8 p. m. and all interested are urged to attend.

PLUMBING SERVICE

Phone 2768

HENRY A. SIMSARIAN

850 N. Palm Canyon Drive

Braunschweiger said 1,304,000 tourists, mostly from the east and midwest, came here during the period. This was 17 per cent more than a year ago—and most fortunately, because they cut their visits shorter, and as a result, per capita spendings for the winter were \$213 compared to \$244, the year before and \$151 for the fall compared with \$161. It took the increased volume of visitors to keep the total of dollar spendings up in the volume which the southland needs.

"THE ANSWER," Braunschweiger said, "is obvious. With the tourists unable to spend as much with us, per capita, as they have in past years, we must make every effort to increase the numbers of them who come here in order to maintain this very vital source of dollar income."

After completing the fall, winter and spring campaigns, the All-Year Club is now concentrating the national advertising upon the national advertising upon the southland's coming summer season.

Education and Troubled World, Sunday's Topic

"Educational Ideals in a Troubled World" will be the theme of the sermon by the Rev. Robert M. Hogarth, rector, Sunday morning in the Episcopal church of St. Paul in the Desert.

"Blessed are the Meek," said Jesus—not as we think to be weak and wishy-washy spineless folk, without initiative or ambition, content with a mere livelihood and to settle down in selfish enjoyment," the rector said. "The meek, as Jesus saw them, were those whose prevailing motives in life are altruistic, not egotistic—who have disciplined their lives until the rampant aggressive self in them is quelled, and life has become spacious and unselfish—these, said Jesus, 'shall inherit the earth.'"

The Sunday school meets Sunday at 9:30 a.m. for the last session until September. There will be special exercises and awards. Children are asked to attend one of the two Sunday mornings at 8:00 and 11:00 a.m. during June. Camp Stevens at Big Bear in July offers opportunity for further study and recreation," Rev. Hogarth said. "Consult the rector for requirements."

Hospital Medical Staff Names Officers

Dr. H. M. F. Behneman was elected president, Dr. Charles H. Baldwin, vice president and Dr. Bernard H. Poliak, secretary, of the medical staff of Palm Springs Community hospital at a staff meeting last week.

Three out of four traffic accidents happen in clear weather on dry roads.

Community Church Scene of Baccalaureate Services

Promotion day will be observed next Sunday at Community church Sunday school at 9:45 a.m. and all parents are urged to attend the exercises.

Nellie N. Coffman Junior high graduating class will be special guests at the 11 a.m. service. The church Junior high choir will be heard in special numbers and Dr. J. H. Blackstone will preach the Junior high baccalaureate sermon on "Human and Divine Greatness."

At 7:30 p.m. the high school baccalaureate service will be held. Dr. Blackstone will preach on "The Challenge of Responsibility."

Dr. Blackstone will be assisted by Edward Griffing, president of the Class of 1951.

An organ prelude will feature Mrs. Lois Lux who will present "Adagio" by Mendelssohn, "Intermezzo" by Colliards, and a processional "The War March of Priests" by Mendel.

The students participating will be: Anne Bluechel singing "Prayer" by David Guion, a soprano solo, and Joseph Garcia playing a trumpet solo, "Agnus Dei," by George Bizet.

The recessional will be "March in G" by Smart.

Dr. Blackstone asked parents of both groups especially to attend the services.

Christian Endeavor societies will meet at 6 p.m.

Emily B. Norton Dies in Banning

Mrs. Emily B. Norton, wife of Arthur B. Norton, passed away at Banning on May 16, friends here learned this week. Mrs. Norton was a resident of Palm Springs for more than ten years. Besides her husband, she is survived by two sons, Peter Norton of Azusa and Henry Norton of Jalisco, six grandchildren, and two sisters, Miss Esther B. Pearson and Mrs. Isabelle Stuart, both well known here; also three brothers, Melville C. Barnard of Hermosa Beach, William L. Barnard of Redondo Beach, and John E. Barnard of Oosterville Cape Cod Massachusetts.

Funeral services were held at Wilets Chapel in Banning conducted by Dr. W. W. Weatherill of Palm Springs long time friend of the family. Interment will be in the Norton Lot at Farmington, Maine.

In 1950, 1,799,800 Americans were injured in traffic accidents.

Aircraft Parade Across Desert

More than 100 aircraft including all types of fighting craft, bombers and others, roared over Palm Springs Saturday afternoon in observance of Armed Forces day.

The craft assembled over Los Angeles and flew across the desert to El Centro turning west there for San Diego.

More than 250 aircraft were over Los Angeles, splitting there into two sections, one proceeding north and the other coming down through San Geronimo Pass and across the northeastern section of the Village.

Housing

NAACP Meeting Set for Sunday

Housing leaders from southern California will meet Sunday at 3 p.m. at World War Memorial hall with representatives of the local chapter of National Association for Advancement of Colored People. It was announced Tuesday.

Housing on the reservation will be the topic.

CHRISTIAN SCIENCE TEXT 'SOUL AND BODY'

God's government of the body will be explained in the Sunday Lesson-Sermon on "Soul and Body" in all Christian Science churches.

The Golden Text is from Isaiah (26:8): "In the way of thy judgments, O Lord, have we waited for thee; the desire of our soul is to thy name, and to the remembrance of thee."

A Bible story from Matthew relates that a centurion besought Jesus to heal his servant, who was sick of the palsy. Jesus said, "I will come and heal him. The centurion answered and said, Lord, I am not worthy that thou shouldst come under my roof; but speak the word only, and my servant shall be healed." Jesus said, "Go thy way; and as thou hast believed, so be it done unto thee. And his servant was healed in the selfsame hour" (8:7, 8, 13).

Correlative citations from "Science and Health with Key to the Scriptures" include: "Mind is the master of the corporeal senses, and can conquer sickness, sin, and death. Exercise this God-given authority. Take possession of your body, and govern its feeling and action" (p. 393).

Successful Year Ended by Church at Palm Desert

Another successful year in church activities was concluded by Palm Desert Community church last Sunday.

Announcing there would be no summer services, Dr. J. R. Macartney, pastor, expressed hearty appreciation in his talk Sunday morning on the "fine spirit of cooperation and progress manifest in the new church enterprise."

The new church building has taken on a rugged desert appearance with completion of the exterior stone work. The interior has been fully decorated and equipped, Dr. Macartney said. Later this summer, work will start on a new dwelling for the minister.

Plans for the new house have been submitted by Walter White, Carl Henderson, chairman of the building committee for the church will supervise the Manse construction, too.

Dr. and Mrs. Macartney will spend June at Forest Home and later make their annual trip to Orcas island in Puget Sound.

New School

Adventists to Open Institution in Fall

It was announced recently that a new private Christian grade school will be operated starting this September by the Seventh-day Adventist church. Reverend R. A. Rentfro, local pastor of the church, said that the private school is not only designed for Seventh-day Adventist children but "for youth of high principles of every faith or of no faith at all; for today the youth of America need the influence of Christian education."

Adventists operate a worldwide chain of schools from kindergarten through college, as well as advanced and specialized schools, in order to provide for their children Christian education which meets the standards of the church, as well as that of the state.

"The new private grade school will start early in September and the Church School board will be pleased to accept inquiries from Palm Springs parents. The Church School address is Box 1332, Palm Springs."

healed in the selfsame hour" (8:7, 8, 13).

Correlative citations from "Science and Health with Key to the Scriptures" include: "Mind is the master of the corporeal senses, and can conquer sickness, sin, and death. Exercise this God-given authority. Take possession of your body, and govern its feeling and action" (p. 393).

Temple Addition Construction is Now Under Way

Construction work is under way today on the new Temple addition on Jewish Community Center following groundbreaking ceremonies held Sunday evening.

Services were conducted by Rabbi Isaac E. Bloch, assisted by Robert Morris and Cantor Daniel Platin. Leo Baker was in charge of the ceremony and chairman of the building committee. Dr. George Gillman turned the first spadeful of earth.

Following the ceremonies a supper was held for Dr. and Mrs. George Gillman in the Center. Entertainment followed provided by Cantor Daniel Platin, Maury Pavy, Jules DeVorzon and Robert Morris.

Two weeks ago Bakker Construction company was awarded the new Temple contracts and a special board meeting last week completed signing of the contracts.

The Center wants to have the addition completed for High Holiday services Oct. 1. The building will be a distinctly modernistic type and will be unique in church architecture, planners said. Stewart Williams of Williams, Williams and Williams, local architects, will supervise construction. It will cost \$100,000.

Villager Held in Marijuana Case

Louis McClure, giving his address as Palm Springs, and Robert Coogan, younger brother

of Jackie Coogan, were awaiting hearing June 14 on charges of possession of marijuana in Hollywood court.

They were arrested in Hollywood Friday.

Another California Original

BANKING SERVICE TAILORED FOR TEXTILES

Back in '37, when Americans were just beginning to prefer California clothes, Bank of America offered the textile industry two America offered the textile industry two highly specialized services—factoring and accounts receivable financing. Maybe you've never heard of them, but to a textile man they're the "life-blood of the industry."

Today California clothes are worn by millions . . . and California's textile industry is a leading producer of wealth and jobs! And by lending \$8,000,000 a month, Bank of America continues to play an important part in the progress of this great California industry.

But lending is only part of the bank's job—for businesses need deposit services, too. Commercial checking accounts are vital to business firms, and Bank of America provides them for any business, large or small.

Here is statewide branch banking in operation—a banking service that is possible only because of progressive policies, vast resources, and statewide branch facilities.

Seven Teams to Start Loop Play June 5

Hotel Ass'n Team
Withdraws; Others
Await Opening Night

At last count Desert Softball League this summer will consist of seven teams. City Recreation Director Howard Haddock announced this week. Latest team to announce that it would be unable to play was the Hotel association entry. The group said that they were unable to obtain enough players to field a capable squad.

Seven teams which are rated pretty sure starters when league play rolls around June 5 are Junior Chamber of Commerce, Youth Center, Rinky Dinks, Mexican Colony, Desert Hot Springs, Pellem All-Stars and 20-30 club.

POLO GROUNDS practice activity observers tab the Rinky Dinks as the squad to beat. Joe Sandefter's men appear to be well rounded at almost every position and also boast a capable pitching staff, a major asset to any softball team.

Of their performance against the Junior Chamber last Saturday night, Desert Hot Springs looks to be a title contender. The DHS squad, playing on their home, windswept field, trounced the JCs, 13 to 3, displaying an agile infield and steady pitching.

HADDOCK this week announced that the Polo Grounds are set for league play. He recently completed a regulation back stop 25 feet behind home plate, 15 feet high and 12 feet wide.

The field lights are on Monday through Friday each week for practice. Haddock said, and are available to league entries who may make appointments with the recreation director.

Gold Cup Nation's Top Horses to Run in Classic

The nation's leading stables and horses have their sights set on the twelfth running of the \$100,000 Hollywood Gold Cup July 14. In announcing 40 nominees for the Hollywood Park classic today, Racing Secretary John Maluvis revealed that the list includes 20 stakes winners who have won a total of 105 stakes.

Among those named for the Gold Cup, the only race in the world for which \$100,000 net is guaranteed to the winner, are such star champions as Citation, Coaltown, Great Circle, Moonrush, Lotowhite, Great Ship, Bewitch and Gold Capital, insuring another outstanding field.

Last year's Hollywood Gold Cup, the richest race of 1950, was universally acclaimed "The Race of the Year."

CV Marksmen Score at Phoenix

In Phoenix last weekend to successfully participate in the Far Southwest Regional Rifle matches were five members of Coachella Valley Pistol and Rifle club—John Carleson, Pat Bennett, Warren James, Bangs Tapscott and Bert Cameron. Tapscott took second place.

Village Mermen Win in All Classes in RCL Swim Meet

Continuing their dominance in Riverside County League competition, Palm Springs high swimmers swept all the classes at the local pool last Thursday afternoon for the second straight year at the annual league meet.

The desert mermen, who are well on their way to becoming RCL swimming what Coachella is to RCL track, won 16 of the 22 events while amassing 193½ points. Hemet grabbed second with 120½ digits while Coachella took third with 49 and a small Banning squad brought up the rear with 22 points.

George Gowland and Doug Carpenter, who are actually Bees, each won two races and swam on a winning relay team to race the Redskin varsity. The Indian A squad scored 73½ points to 54½ for Hemet. Banning tallied 18 for third and

Annual Fish Fry Attracts 500 Hungry Enthusiasts

Palm Springs Sportsmen's club held its annual fish fry Saturday night for almost 500 club members, wives and guests at Wars Memorial hall.

A complete dinner, prizes and games were enjoyed by the party-goers and Archie Long provided music for dancing. Sponsored by the club, the fish fry is an annual end of the season affair for all Villagers who wish to attend.

SUN SPORTS IDEALIGHTS

By GUS STEVENS

Preparation for summer softball here, or as it's called, Desert Softball League, continued this week as the beginning of play for keeps June 5 looms ever closer.

League Director Howard Haddock answered gripes for a regulation back stop at the Polo Grounds by going out and building one 25 feet behind the plate. The thing is a regulation 15 feet high and 12 feet wide.

Practice for the opening week continues at a furious pace. Five nights a week lights are on at the Polo Grounds for drills and practice games and Haddock figures the field will be booked solid until the season gets underway.

Mexican Colony, last year's champs, may be the club to beat this summer. The squad is well-balanced and boasts a fine pitching staff.

CHICAGO'S partially Palm Springs trained White Sox appear (except for the perennial Yankees, of course), to be the hottest club in the American League. Through Monday the Pale Hose had won five straight, including games from the Boston Red Sox and those Yanks. Looks like all the money the Comisky clan has been pouring into the well for the past three years is finally beginning to pay off.

Paul Rapier Richards, freshman manager, has also opened the eyes of the big-timers. Last week's strategy of putting a pitcher on third base for one batter was unheard of in baseball. Wonder what would have happened if the batter, Ted Williams, had hit a sizzler at the hot corner. Maybe Richards would be goat instead of the wise mystery man he is today.

At any rate, the combination of Richards and the rejuvenated Sox should spell a first division birth for the Comiskys.

Wait 'till I look and see where I picked the Sox before the season started. . . . Yep! Picked 'em fourth. . . .

MEANWHILE the Seattle Rainiers continue to loll around in fifth or sixth place as they did last semester.

One Sick man who looked good to me, Jim Rivera, has proven the standard of the club so far in the RCL flag race. The speedy outfielder recently had a \$100,000 price tag placed on him by the front office.

Wonder if the club has lost its swill sun tan yet.

BOTTOM OF THE BARREL—I'm also wondering if Palm Springs high school pitcher Don Henson got a raw deal from the Riverside Enterprise sports department. The county seater failed to pick the strikeout artist for either of the first two all-RCL teams. Seems to support the contention that you have to get on a winning team to get recognition. . . . Junior Chamber of Commerce was in a fix before its softball game with Desert Hot Springs Saturday night. Had to borrow two men from the hosts to start. One of them promptly smacked a homer.

In expert class grand aggregate and James placed third. Carlson won second in the any-sight matches and overall the Palm Springs team placed second in the expert class.

In individual matches Carlson won the 50-yard iron sight and James won 100-yard any-sight. Cameron was high expert in the 50-yard any-sight shoot.

The two day shoot was won by Mrs. Elinore Bell of Los Angeles over 94 contestants representing some of the best rifle men in the country.

At least three of the five local entrants will be invited to the national matches that will be held in October at San Francisco.

Coachella scored 10. In the B department, Long of Hemet stole the show with record breaking performances in the 50 and 100-yard free-style races. The Indians managed to win in spite of Long, however, with 71 points to 47 for Hemet and 17 for Coachella. Banning had no B entries.

Foster de Jesus was a stand-out in the C division. The little Palm Springs swimmer broke his own record in the 50-yard backstroke, placed a close second in a record breaking 50-yard freestyle race and anchored a record smashing relay team. The Indians scored 49 points, more than all the other schools combined. Two easily splash away with the C title. Coachella was second with 22, Hemet third with 19, and Banning fourth with four.

Several prizes were awarded the guests. First prize, a silafel glass spinning rod and reel, went to A. F. Heim. Other prize winners were Bill Hoppe, Mrs. Bill Ude, Mrs. Angelo Sam Henderson, Mrs. O. B. McRory and Mrs. Swede Davis.

Club and Legion hall officials termed the get-together one of the most successful in recent years and all present wished the Sportsmen's club success next season.

Hoffmeier Only Two Seconds Off in Reliability Run

Navigating the 105-mile course in just two seconds off what judges considered perfect time, Chuck Hoffmeier, driving a 1941 Packard convertible, was pronounced winner of the Safety Reliability Run Sunday. Beginning and ending at Palm Springs airport, the run was over the Palm Springs-Idyllwild-Banning route.

Winning time was 2:53.43, just off the judges' correct time of 2:53.45. Hoffmeier was awarded a two foot trophy donated by the Stocker club, sponsors of the run and the trophy, with a hot rod perched on top, was presented by Douglas Doyle, Stocker secretary and chairman of the run. He was also given a carburetor manifold, donated by a Southern California automobile concern, as were all prizes except the Stocker cups. Hoffmeier is a Desert Forge employee.

SECOND PLACE award went to Frances Doyle of Palm Springs, driving a 1951 Mercury. She navigated the desert mountain route in 2:53.23, just 22 seconds off the pace. She was awarded a headers exhaust system.

Third spot was copied by Lee Dawson of Pomona, driving a 1936 Chevrolet four-door sedan without a hood. For his time of 2:53.22 Dawson got a trophy and a set of air filters. Charles Busby, another local man, won a trophy and a set of lowering blocks for the record he compiled with his 1937 Chevrolet. Neil Jones won the fifth place cup.

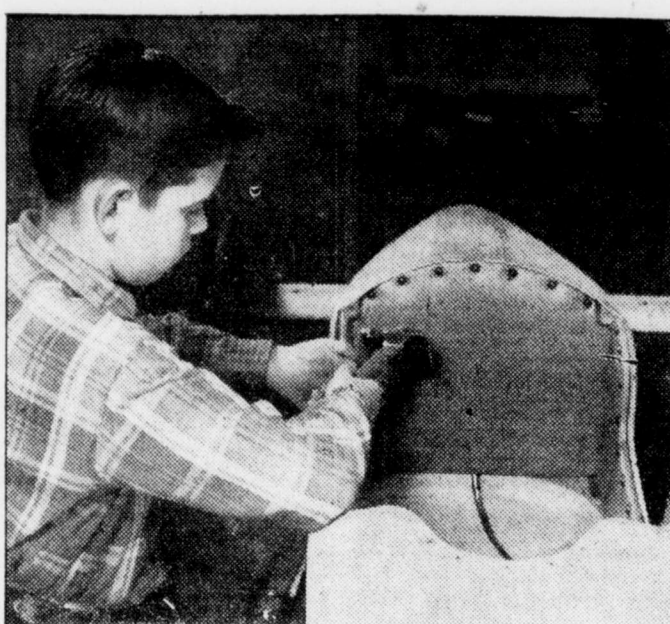

ALTOGETHER 25 entrants started the drive at two minute intervals. The cars, new and old, started jumping off on the twisting route at 9 a.m. as local police, state police and Riverside county probation department officials looked on.

Don Williams Villager Wins Honors at Redlands University

Don Williams, son of Mr. and Mrs. J. W. Williams of Palm Springs, was among the 110 award winners who were honored at the University of Redlands spring sports awards banquet, it was announced today by Pierre Provost, graduate manager of athletics.

Letters were awarded to varsity and freshmen lettermen in a program which featured an address by Pete Belden, head baseball coach at Fresno State college.

Williams won his third varsity tennis letter and was an outstanding member of this year's championship team. His stellar play helped the team annex the league laurels. He is a senior at the university and is a member and officer of Kappa Sigma Sigma fraternity.

BUILDING THAT CAR—The above photograph of a boy getting his car ready for the All-American Soap Box Derby at Akron, Ohio, will be enacted several times in Palm Springs soon. Village boys from 11 to 15 have been invited to compete in the event.

From Page One—MORE ABOUT

SOAP BOX DERBY

dino and the winners in each class go to Akron for the national event.

ENTHUSIASM over the event was already high. Bob Bennett of the Youth Center and Frank Partridge of the Boys Club are already busy promoting the event among their members.

They are on a local committee for the San Bernardino and—if successful—Akron races along with Herman Reich, D. C. Stachler, O. B. Jaynes of The Desert Sun, Mayor Charley Farrell and John A. Connors.

Local service clubs are getting behind the plan.

EACH BOY is sponsored by some local merchant. His entry in the San Bernardino races bears the name of this merchant. The cost of sponsorship is small. It was arranged so that every boy who wishes to enter would not be barred because of inability to purchase the needed materials to build his own racer. Those wishing to sponsor a boy in the derby are urged to contact either Stachler or The Desert Sun.

The July 21 deadline was set so that all local cars could be examined to see if they met national specifications as to weight, size and safety. The racers are limited to a total of 250 pounds, car and boy combined.

BOYS in the eligible age bracket are urged to see the movies and hear the explanation tomorrow afternoon and then contact the Stack Chevrolet agency. There they will bring their parents who must sign the entry and registration slips and they will be given copies of the rule books.

After that they are urged to build their racing cars according to the rule books given them—and if their entry can coast down the course faster than any

Fields, Jackson Score in Finals at Long Beach

Clarence Fields, Palm Springs high class C shot putter, placed second in CIF finals held at Long Beach Wilson high Saturday. He was edged from first by a scant four and three fourths inches.

Fields powered the iron ball 51 feet, three and one fourth inches, almost eight inches better than his semi-final toss, but a home boy, Reed of Long Beach Wilson, heaved it 51 feet, eight inches to win.

Wardell Jackson, Palm Springs class B 70-yard hurdle entrant, grabbed fourth at Wilson Saturday to earn two points for Palm Springs. The winner, a lad appropriately named Rushing, of Kearney high school near San Diego, ran and jumped the distance in 8.9 seconds to tie records set in 1947, 1948 and 1949.

San Diego high school compiled 15½ markers in class A to nip Glendale Hoover, Glendale and Compton all of whom were bunched at second place with 15.

Palm Springs Boys!

(Including surrounding Desert Area)

YOU CAN NOW ENTER...

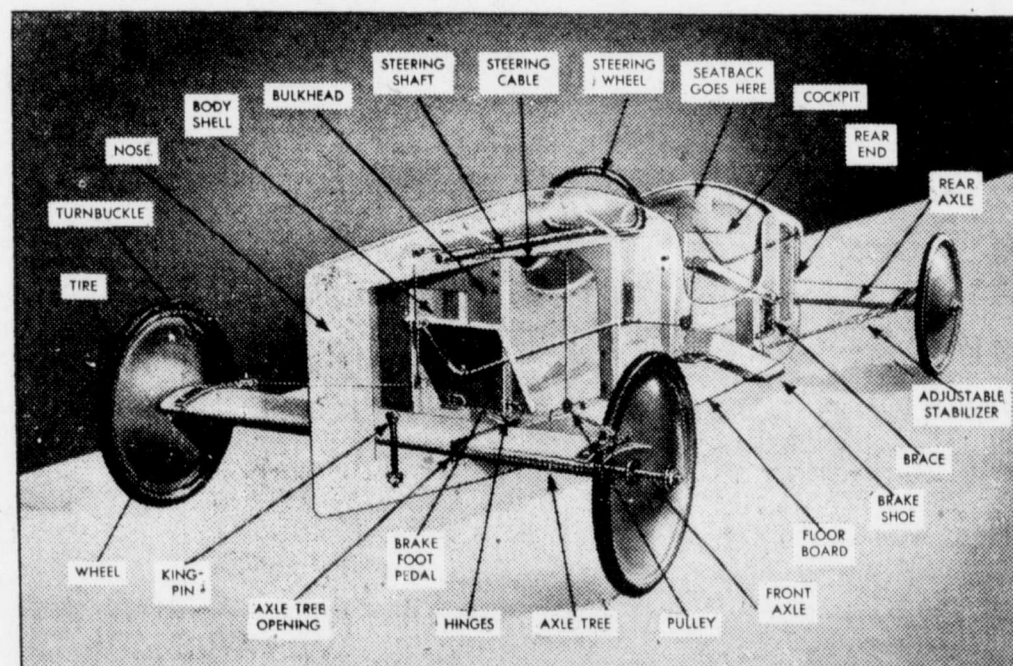

The Greatest Amateur Racing Event in the World!

Here's good news for boys between 12 and 15 years old—you can enter the nationally famous All-American Soap Box Derby for 1951. You may win the chance to compete in the finals at Akron, Ohio late this summer. The Desert Sun and Stack

Chevrolet Co. are co-sponsoring the participation of boys from the Palm Springs Area in the zone area preliminary race at San Bernardino on July 28th. A Citizens' Committee, the Youth Center and the Boys Club are all cooperating in the program to obtain entries from this area.

It's lots of fun to build a Soap Box Derby Racer and a great thrill to race it. So plan to enter right away. Wheels and complete instructions for building your racer are available. . . Stop in at Soap Box Derby, Palm Springs Headquarters today or tomorrow.

YOU BUILD A RACER LIKE THIS

This phantom view of a typical Soap Box Derby racer shows clearly how to solve many of the construction problems you will meet when building your car. It is reproduced from the 1951 Official Rule Book.

SEE RACERS In Action

An added attraction to the regular Saturday Matinee at the Palm Springs Village Theater will be shown. The picture filmed in color shows a contestant building his racer and finally competing in the final race at Akron, Ohio. Young race enthusiasts will not want to miss this picture. Box Office opens at 1:30 p.m. Regular admission prices prevail as usual. Time and use of the theater equipment through courtesy of Earle and Warren Strega.

Midget Races to Roar Again at Indio Tomorrow

Some twenty or more roaring midget autos will thrill Coachella Valley racing fans for the fourth local meet tomorrow night at 8 o'clock in the recently converted speedway at Riverside County Fairgrounds in Indio.

Preceding the races the visiting midgets and their drivers will participate in a motor parade at 4:30 p.m. in downtown Indio. Fire Chief Harry McCausland will lead the parade. Miss Vera Boydstrum of Thermal who will reign as Trophy Queen will be Marshalllette. Bob Gillespie, popular local race driver, is parade chairman.

SATURDAY'S is the most important meet to date of a planned summer series of races at the fairgrounds which started as afternoon events and after two meets gained sanction of the county fair board toward installation of stadium lights.

Floodlights 30 feet above the crash wall and atop steel standards in the turned pit throw 50,000 watts of light into the racing oval. The lights were dedicated in a brief ceremony during the last meet when spectators saw Fire Chief McCausland throw the master switch to officially open the night speedway series.

INSTALLATION of the giant floodlights, wiring and switches, owned by the fairgrounds, was made under auspices of the Indio Fire department Jack Paul, Charles Kilbourn, Norman Weaver and Gordon Krysan donated several evenings of professional services.

New to the Indio track also is the banked clay surface which has made the local oval one of the fastest and most preferred meeting spots for the three quarter midgets whose owners and drivers comprise the Three County Midget Racing association of Southern California. Jerry Wright, president, of Norwalk, said.

Indians Place 2 on Second Team

Two positions on the second string was the best Palm Springs high school baseballers were able to do this week as the Riverside Enterprise sports department announced selections for the 1951 all-Riverside County League baseball squad.

Second Baseman Oscar Prieto captured second team honors by reason of his outstanding play in the keystone sack and a .333 batting average.

Johnny Black was awarded the second team centerfield berth as the smaller half of the famous brother act swatted .303 this season in seven league games.

Don Henson, outstanding Palm Springs pitcher, could do no better than head the list of honorably mentioned hurlers. Henson finished every game but one during league play and batted fourth in the order.

Other locals receiving honorable mention were Catcher Charlie Black, Second Baseman Billy Spencer and Third Baseman Don Stowers.

Suds Move Up Into Third Spot

Defeating San Diego 9 to 2 Wednesday, Seattle's Rainiers who receive their spring season here, were in third place in the Pacific Coast League as of yesterday morning, only two games off the pace.

Next Council Rally

Next city council meeting will be the first Wednesday evening in June, June 6 at 7:30 p.m.

Soon after that date public fiscal budget hearings will follow in mid-June and later council will vote on final adoption of the budget.

Supervisors Split on Bill to Lessen Policing Costs

County Supervisors Wednesday were disagreed on whether they should fight proposed state legislation that would require heavily populated unincorporated territories such as the area surrounding Palm Springs, to provide their own police protection. The effect of the bills would be to reduce the cost of the Sheriff's department to city property owners.

Supervisor Homer Varner of Indio told Supervisors he thought they should join supervisors in other counties in "viciously fighting" state senate Bill 769 and assembly Bill 3217.

BUT SUPERVISOR Irwin Hayden and Supervisor Beale Barnes said they could see some point in the position taken by the League of California Cities which is sponsoring the bills. The league contends that urban unincorporated areas, like Cathedral City, Desert Hot Springs, Rancho Mirage and Palm Desert, should be required to "pay the cost of municipal-type services they are now receiving at County expense."

Campaign for Village Share in Blood Bank Under Way

"This blood bank project is the most important health project in Palm Springs since establishing of the Community Hospital."

With that statement by Dr. William Elliott fresh in their minds, 15 Villagers, under the direction of Newton S. Hotchkiss, Monday night launched an intensive effort to raise Palm Springs' \$4,000 share of the Riverside-San Bernardino Counties Community Blood Bank construction and equipment cost.

"This is actually a life-saving service; it will eliminate the very uncertain system by which donors have been searched out when transfusions are needed at our hospital in emergency or accident cases," he said.

THE BLOOD BANK, with headquarters at the central point in San Bernardino, will maintain an adequate supply of all types of blood at the Palm Springs hospital—ready for use instantly when needed. Often in the past certain types of blood have been brought all the way from Los Angeles while patients have waited here for the precious fluid.

Dr. Elliott, chairman of the hospital medical staffs committee for the blood bank, was asked by Chairman Hotchkiss to explain the operation of the unique bank. He said that it will accept deposits of blood from individuals, keeping them available for withdrawal anytime within a year. The donor of the blood may use it himself, give to his family or relatives, friends or anyone else whom he chooses. Only a small service charge will be made—and this

Palm Springs must pay property taxes to support the city's police departments and must also pay taxes to support the county sheriff's department—which gives them no direct service.

THE LEAGUE further points out that the owner of property in unincorporated territory pays taxes to a city government and yet gets full police protection from the sheriff's department.

The league contends that the property owner in a city should not have to pay to provide protection for unincorporated territory.

THE BILL would require unincorporated areas to pay fully for their police protection.

Supervisor William Jones said he agreed with Supervisor Homer Varner that the bills should be killed. The other supervisor—Sherman Lewis—did not make his position clear.

So far the issue has not come to a vote, although Varner has indicated he may make a motion that the supervisors oppose the bills. He said that many other counties have already done that. He said the bills "threaten the integrity" of county government.

will be waived if two pints are replaced for each one taken out. If one pint is replaced, only the service charge will be assessed.

EMPLOYEES of business and industrial firms will keep group deposits on hand at the bank, these to be made available to fellow employees or their families upon designation by the donors. Thus, an injured co-worker could be assigned as much of the blood as he or she needed.

The bank, costing \$70,000 to build, equip and man for the first few months, is under construction now, thanks to an initial \$10,000 contributed by doctors of the two counties, and by residents of San Bernardino county. Riverside County residents are asked to contribute a total of \$24,000 and Palm Springs share of that figure is \$4,000.

PRESENT for the "kickoff" meeting of the local fund drive were, besides Chairman Hotchkiss, Mrs. Alice Guthrie, Mrs. Charles Farrell, Mrs. P. A. Staley, Miss Muriel Fulton, Mrs. Madge Holderman, Mr. and Mrs. Jacques Crommelin, Harold J. Hicks, Frank Prince, Merrill Crockett, Attorney Bunker Paul Summers, Herbert Eccleston and Ted Pierson. They received prospect cards on which calls will be made or mailed to business men and residents who have left the village for the summer.

Fred Ingram, manager of the Bank of America, is treasurer of the Blood Bank appeal and will receive contributions directly at the bank from persons not reached by workers of Chairman Hotchkiss' group.

New Print Shop Now in Operation on North Indian

Open for business this week at 177 North Indian avenue was the Village's newest business the Palm Springs Printery owned by Percy Whiteside.

The new concern will carry on a general commercial printing business along with a number of printing specialties heretofore unavailable in this locality. A completely equipped plant has been set up during the past three weeks at the Indian avenue address and a business office connecting with the plant will be opened next month in The Center.

WHITESIDE is former publisher of the daily Tulare Times and Advance-Register. He was also associated in other newspapers and two radio stations in the San Joaquin Valley. He sold these interests a few years ago and purchased the Corcoran airport which he still operates. Percy and Maxine Whiteside have been winter visitors in Palm Springs for many years. They recently purchased the Miller date ranch on Del Sol road, and said last week that they will spend most of their time in Palm Springs in the future. The Whitesides are both flying enthusiasts. They have been commuting between Palm Springs and Corcoran once or twice a week in their Navion plane for the past two months.

Whiteside says that the Palm Springs Printery will offer the widest range of commercial facilities ever available in Palm Springs. More equipment is on order and will be installed this summer, he stated. All of the printing machinery formerly operated by The Desert Sun has been purchased by Whiteside and moved to the new location.

THE PLANT of The Sun will be devoted exclusively to newspaper operations. It was announced by O. B. Jaynes, owner and publisher.

W. S. Fleetwood is mechanical superintendent. He has had many years of experience in the allied printing trades and came to Palm Springs from Tulare. Clar E. Johnston is office manager of the new concern. She comes from Chicago where she was a society photographer for the Chicago Sun. She is not a stranger to Southern California however, having lived in Coronado for five years.

Tax Delinquency in County Area Down Slightly

Tax delinquency percentage in the current fiscal year is under that of the 1950-51 year, figures released by V. M. Hyde, tax collector last week, revealed. This year penalties of six per cent were added to \$631,520.44 in unpaid taxes as of April 20.

Of the \$12,103,376.46 total charges for 1950-51, \$11,471,856.02 has been collected compared to \$10,014,260 of a total charge of \$10,729,638.81 in the fiscal year 1949-50.

Stack Chevrolet Named Dealer for U. S. Tires

Stack Chevrolet company, newly opened new car dealer at 330 Sunny Dunes road, has been appointed distributor for U. S. Royal tires, D. C. Stachler, agency owner, announced this week.

"We take great pride and pleasure in announcing our appointment as distributor for this fine line of tires," said Stachler. The new only Chevrolet agency in Palm Springs was opened officially three weeks ago when Stachler and his staff hosted Villagers to an open house party at the Sunny Dunes business.

Village Winter Residents Buy Desert Acreage

Two prominent Palm Springs winter residents, M. O. Anderson and George A. Braley, will soon begin development of a huge tract of desert land, it was learned this week with the announcement of the sale of 1367 acres near Indio.

From a point about a quarter-mile west of Washington Avenue at Highway 99, the property extends nearly two miles to the Norris Andrews ranch and almost one mile and a half to the north. Reported sale price was \$100,000.

THE TWO northwestern automobile agency owners intend to begin development of the entire acreage immediately and will start with a large planting of alfalfa. They will drill wells as needed on their new holdings and may run cattle on part of the land, they said.

On the property already is a well reputed to be the largest in the Coachella Valley and capable of delivering more than 300 inches of water. It was drilled years ago by Alphonso Bell but was never used.

SELLER of the tract is B. W. Tye, Beverly Hills realtor. Tye was represented in the sale by Richard O. Davis of Indio, and Paul Aust of Harold Hicks Real Estate of Palm Springs represented the buyers.

Desert Bank of Palm Springs handled the escrow.

charges for 1950-51, \$11,471,856.02 has been collected compared to \$10,014,260 of a total charge of \$10,729,638.81 in the fiscal year 1949-50.

A total of \$7,494,633.94 was collected to December 5, 1950, and \$3,977,222.08 to April 20, '51. In the fiscal year 49-50, \$6,725,771 in county taxes was paid to Dec. 5 and \$3,288,489.23 to April 20.

One dollar delinquent cost for each separate assessed valuation plus the six percent penalty will be added, Miss Hyde said.

W. H. Smith and Party Leave for Vacation Journey

W. H. "Bill" Smith, president of the Coachella Valley Savings and Loan association, Grace Smith, his wife and Pearl Smith, his sister, will start a month's vacation tomorrow when they leave for Minneapolis, Minn., to visit relatives. They will also visit in Madison, South Dakota, where they have a large stock farm.

Business of the association will be conducted by the staff, Mrs. Marjorie Hudson, assistant secretary, and Frances Martlett, comptroller.

William R. Wright, first vice-president, will take care of the required work of the president in his absence.

This is the first vacation Smith has had since organizing the Coachella Valley Savings and Loan association almost two years ago. A great many loans have been booked for processing through the association's escrow department while

he is away. Most of these loans are for construction of new homes in the Palm Springs area, and according to the president, when these loans are all entered it will give the association al-

Start of a Wonderful Journey!

Well, there it goes—out from the great Cadillac factory into the hands of a proud and happy owner.

And what an odyssey it would make if its whole future course could be charted and foreseen!

—far journeys to the world's most fascinating places . . . grand appearances at the proudest social events . . . splendid visits to affairs of state . . . year after year of participation in the life of a fine American family.

Yes—and perhaps two or three, or even four fine American families—for a Cadillac is so soundly designed

and built that there is no practical limit to its utility.

Truly, no more interesting biography could be written than an account of the life of the average Cadillac car. As the primary means of transportation for interesting, vital people—it is usually a spectator at important events—always in demand as a trustworthy traveling companion.

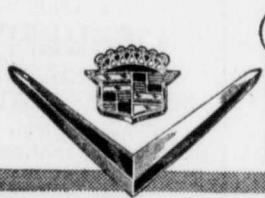

So there it goes, like the many thousands of its predecessors, on one of the most eventful and fascinating journeys a motor car ever began.

Wouldn't it be wonderful—and inspiring—to go along?

We're sorry indeed that delay in delivery of new Cadillacs continues unavoidable. If you are waiting for a Cadillac, please be patient—but hold to your purpose. There is no substitute for the "Standard of the World."

Council Hears From Residents on Tests

City council this week received three letters, two of them from winter residents, protesting any plans Douglas Aircraft corporation may have for locating a test base here.

All three objected to what they felt would be resulting noise, confusion and a wedge to open the door to other industry here.

It's Place

Warm Sands Has New Designation

Post office employees and letter writers here may be scratching their collective heads for the next several weeks.

City council this week OK'd the planning commission's suggestion that Warm Sands court be renamed Warm Sands place. Reason for the street name change? To prevent confusion.

The commission is also working out a new system of numbering for homes on the short street.

Delay Action on Township Consolidation

Palm Springs Not to be Affected When Action Taken

Whether Riverside county justice townships boundaries will be altered is still a moot question it was revealed by the board of supervisors Monday after the subject was given a brief airing and returned to former quiescent state.

The subject was tabled until after budgetary sessions.

County Counsel William O. Mackey indicated that the boundaries could remain as they are with the exception of San Geronimo and Beaumont townships which will have to be re-drawn so that the lines will infringe on neither Beaumont or Banning.

SUPERVISOR Homer Varner came out for revival of the Bar association recommendations which called for township consolidations with adequate salaries for full time justices.

An amendment to the State Constitution adopted by the voters 1 1/2 years makes it compulsory to replace Riverside Justice Court with a municipal court and to wipe out all the city police courts in the County (with their functions to be taken over by justice courts).

BUT THE amendment leaves it up to the Supervisors to decide whether they should consolidate any of the other 14 justice courts throughout the county.

The Bar association program would consolidate many townships but leave Palm Springs township as it is.

City Hall to Close Next Saturday

City offices will be closed all day Saturday beginning June 2 a week from tomorrow and ending Sept. 1.

Action was taken by the city council at recommendation of City Manager Russell Rink.

During the season the offices are open Saturday mornings.

For the spaghetti dinner will come from the Doll House and will be included in the \$1.50 ticket for adults and 75-cents for children. Starting time is 6 p.m. and diners should bring their own utensils.

FULTON BURLEY from the Palm House will drop in to sing a few Irish songs himself and lead the party-goers in a community sing. In addition the Lion's club quartet will sing and Pat Hegarty will join in the fun with his famous dog act. Trixie Jarrette's Dance Studio will contribute some of its talent.

Games and races will be run every hour with prizes awarded to the winners. The contests will be for all age groups and even adults will have that chance to try long unused muscles.

Here is the race schedule: 7:30 p.m.—Boys 8 to 12, 25 yard dash and 25 yard sack race. Girls 8 to 12, 25 yard dash. Girls 13 to 16, 35 yard dash and 25 yard sack race.

8:30 p.m.—Boys 13 to 16, 50 yard dash, 35 yard three-legged race. Boys 17 to 25, 100 yard dash. Boys 26 to 100, 100 yard dash and 50 yard sack race.

FURTHER, THERE will be dart throwing at balloons, baseball throwing at milk bottles, dunking of prominent Villagers, a fish pond where youngsters can try their luck for toy fish, continuous cartoon and comedy movies and several other attractions. Several additional prizes will be awarded during the course of the evening.

"This is an event Village residents can't afford to miss," Miller and Strebe said. "This evening of fun will herald the start of the summer season here and give year-rounders a chance to get acquainted for the coming months."

Park Irrigation Lines Complete

Irrigation lines at North End park have been completed it was announced this week and the forlorn, transplanted palm trees are beginning to show signs of life, park authorities announced Wednesday.

The city has filed application with National Production authority for construction of tennis courts on the North End site. The authority has acknowledged receipt of the request but has not yet given its O.K.

Wednesday Last Day for Filing of Price Charts

Memorial Day will have double meaning for Palm Springs retailers.

May 30 is not only a national holiday, but the last day for filing price charts under Ceiling Price Regulation 7.

Further postponement of the deadline, already twice delayed, is unlikely, according to William C. Moeser, district director of price stabilization. He said:

"Merchants have had more than three months to prepare these charts, by which they will determine their permanent selling prices. Until his chart is in, a retailer must continue to operate under last January's prices."

Affected by C.P.R. 7 are clothing, furniture and durable goods dealers with an annual gross of \$20,000 or more.

For merchants still needing assistance on their charts, Moeser said the district O.P.S. is working a Saturday schedule, 8:30 a. m. to 12:30 p. m. The office is at 1215 Seventh avenue, San Diego.

THIS SIDE

would cut down the pedestrian traffic statistics.

A LOOK AROUND the streets on weekends reveals that the long hammering on the theme Stay Through May is bearing fruit. Last weekend a ride around town revealed almost as many automobiles parked before apartments and hotels still open as in the middle of winter. Still a lot of Cadillacs in town, too. And why not? The weather certainly has held up its end. When we get May good and sold to all, we'll start on June. And then maybe July. Florida did it. In the meantime, why doesn't one figure out a way to air condition the whole town in summer. Pipe down the cold air from the mountains. Fan it around the Village. If it's going to take some time to build the tram to get up there with ease and dispatch. Let's bring the mountains down here. Or maybe the conservationists would object to letting us breathe their air.

So are you.

CLARK

cent with back orders amounting to \$365,000 still unfilled. He has sales outlets for all the apparatus he can manufacture for the next ten years.

CLARK WAS EDUCATED at the University of Wisconsin and later was chief engineer at Washington Navy Yard during Undersecretary of the Navy Franklin D. Roosevelt's tenure. "Well over half of my activities here are classified and closed to the press and all visitors," Clark explained, "so I cannot begin to reveal the complete picture of my activities. What you saw this week," he told the writer, "will be closed within two weeks when the government locks the gate to my Pioneer Ranch."

SCORES of thousands of dollars worth of equipment is set up in Pioneer Ranch including the only argon gas welding unit in Riverside county, huge power tubes and \$10,000 rectifiers. Most of the gear is classified and closed to outside eyes.

Clark is years ahead in his thinking. "We're now investigating here a proposed gravity insulator, which if it works, would create the equivalent of a modern-day flying carpet; we would have gravity lifted!"

In 1938 Clark received a letter from the commanding general of Wright Field in Dayton, Ohio, the air force testing headquarters, telling Clark that his proposal that aircraft be jet powered was "totally impractical." He still has the letter to prove it.

PIONEER RANCH in the past 28 years has become the near-secret mecca of the finest scientific brains in the world. Altogether in the first four months of this year 286 eastern engineers have visited my laboratory," claims Clark.

The near-isolated "wizard of Cathedral City," a man of simple words, is looking forward to a peaceful world and the day when he can throw open his laboratory to add to constructive progress in America.

SCHOOLS

iversity Women by Mrs. Herbert Burns, president.

Palm Springs Faculty Club by Seamus Numan, president; Palm Springs Woman's Club by Mrs. C. E. Glass, president.

The Commencement address will be given by Paul Yinger of The First Congregational Church in Riverside.

Edward Griffing, senior class president, will present the gift of the Class of 1951 to the school.

THE DIPLOMAS WILL be presented to twenty-eight girls and thirty-nine boys of the graduating class by H. H. McCabe and C. B. Nelson, members of the board of trustees of the Palm Springs Unified School district. The benediction will be given by Father Michael O'Conner.

The high school band, directed by Mr. Gustave Patzner, will play: "Men of Might" March by L. V. Meretta; "The Crusaders" Overture by F. L. Buchtel;

Alexander Hammond's combined high school chorus will sing "Roundup Lullaby" by Barnes-Lyman, and "The Blue Room" by Rogers-Warnick.

The band and chorus will combine for "My Land" by D. Protheroe.

AT JUNIOR HIGH Monday night at 7:30 o'clock, Owen B. Coffman Post, American Legion, will advance the colors to open the commencement program for 115 graders.

Monsignor John Power will pronounce the Invocation. The welcome will be by Wilma Joy Roberts, president of the class. American Legion awards will be presented by Hilton McCabe of Owen Coffman post. Mrs. Leon Wilbur of Cahulla D.A.R. will present the chapter award and the music awards will be presented by Mrs. Margaret Manasse, vice-president of the Palm Springs Woman's club.

TALKS will be made by Dan La Daze on Today's Challenge to Youth, Hal Barnett on Lessons from the Life of Nellie Coffman and by Charlotte Ann Story, class treasurer, who will present A Gift from the Graduate.

Principal G. F. Manning will present the graduating class Sylvan Severtsen will direct the choral number "Trees" while the school orchestra under the direction of Gustave Patzner will present several numbers.

Official Action on Pay Raise in Mid-June

Council Favors Plan
But Will Wait Until
Budget Preparation

Official action of the proposed \$15 monthly pay raise for all city employees will be taken when city council considers the over-all 1951-52 budget problem. While City Manager Russell Rink said he is almost certain the council is in favor of the pay hike, since they have informally stated that they are in favor of it, the problem will be ironed out when Rink submits the proposed budget to them at council conference soon.

RINK SAID that at present it looks as though some taxes will have to be increased or some services abandoned to cover the wage increase.

After private budget study, the council will probably call a public budget hearing in mid-June, Rink said. At that time Villagers may express their views of the budget since they will have had copies distributed to them.

COUNCIL informally agreed to the \$15 pay raise in a closed conference two weeks ago with the hike to go into effect July 1. Approximately 110 city employees will be affected.

The move for an increase in pay to choke off the rising list of resignations from police and fire department members was spearheaded by Councilman Earle Strebe.

From Page One—MORE ABOUT INDIANS

now face us (the people who would have to move) no one would yet want to build on the reservation."

HER LETTER asked whether "another bond indebtedness" would be necessary here to cover cost of moving so many buildings.

Council, evidently wanting to consider one problem at a time, told Mrs. Hager that they must first obtain an easement from the Indians before considering moving problems.

County Publishers to Meet in Palm Springs Tonight

Representatives of practically all of Riverside county's 17 newspapers are expected to attend a meeting at Chi Chi tonight. They are members of the Riverside county unit of the California Newspaper Publishers' association. Most of the publishers will be accompanied by their wives.

Following dinner in the Blue Room, the newspaper group will hold a business meeting. Among the chief topics slated for discussion are the current shortage of newsprint and increasing

costs of producing newspapers. Oliver B. Jaynes, publisher of The Desert Sun, is president of the group. Expected to attend the meeting tonight are publishers or representatives of the Arlington Times, Banning Record, Banning Live Wire, Beaumont Gazette, Palo Verde Valley (Blythe) Times, Desert Hot Springs Sentinel, Desert Magazine, Hemet News, Indio Date Palm, Indio News, Palm Springs News, The Desert Sun, Riverside Press-Enterprise, San Jacinto Valley Register and Lake Elsinore Valley Sun.

Today and Saturday, to be Poppy Days in Village

Proclamation

WHEREAS next Wednesday, May 30, is Memorial Day when the Village will commemorate our War Dead, and

WHEREAS, the women of the Auxiliaries of our veterans organizations are constantly and actively engaged in welfare work for our veterans, and

WHEREAS, tomorrow and Saturday, women of the American Legion auxiliary and of the Veterans of Foreign Wars will be selling poppies on the streets of the Village to aid in this rehabilitation work, now

THEREFORE, I, as mayor of Palm Springs, do proclaim tomorrow and Saturday as days to remember our Living Heroes as well as the tribute we will pay the memories of our War Dead next Wednesday.

CHARLES FARRELL
Mayor of Palm Springs

School Recreation Plans Announced

Summer recreation program of the Palm Springs Unified School district will start June 4, Dr. A.G. Hoff, superintendent, said yesterday.

The high school swimming pool will be open daily from 3 to 9 p.m. and recreation centers for school-age children will be open from 9 a.m. until noon at Frances Stevens and Cahulla schools.

Steps to Prevent Juvenile Tragedy Taken by Police

Alert Villagers and police, memories of a recent Los Angeles tragedy still fresh in their minds, Wednesday investigated and removed the danger of two old fashioned ice boxes in Palm Springs—the kind with which a playful child might entrap himself.

Louis Kraft, 340 North Indian avenue, became alarmed when he learned that his son, while playing with another boy, was accidentally locked in an ice box in a neighbor's back yard. Luckily the other boy was on hand to release his playmate.

Kraft reported the incident to police who inspected the box type that was impossible to open from the inside. The owner obligingly removed the lock until he found a way to dispose of the box.

Later Wednesday afternoon police went to another backyard where a similar box rested awaiting removal to another home. Here the owner agreed to keep the box inside until he arranged for its disposal.

Several weeks ago the body of a small Los Angeles boy was found in an old fashioned ice box near his home, after his parents and police had searched vainly for him for nearly a month.

Los Compadres Club Back from Successful 4-Day Ride

Saddle sore but content, 25 Los Compadres riding club members returned to the city Wednesday night to conclude a four-day annual jaunt through the desert.

Since Sunday night the group had been exploring the Pioneertown area, keeping their main camp near that community and each day riding to a different section of desert near Yuca Valley.

THE RIDERS trailed their horses to Pioneertown Sunday night with Hutch Moseley as chairman. During the stay many other club members dropped up for brief periods and returned to Palm Springs ahead of the main body.

Tuesday night the social highlight of the ride unfolded as the entire group met at Pioneertown's Golden Stallion for

cocktails and dinner. The evening provided a brief rest for the company's cooks, Billie Moseley, Virginia Paul and Mildred Sanders. For the first time in this annual event the group took along its own chuck wagon from which all food was cooked.

THE SEVERAL side trips provided ever-changing scenery for the campers. Sunday they rode to Smid's ranch, 18 miles from Pioneertown, camped there overnight, and returned next day.

Tuesday they clopped to beautiful Pipp's canyon, nine miles distance and returned by a different route the same afternoon. The final day the Los Compadres traveled to Morongo and Yuca.

Wary but satisfied, they trailed home Wednesday evening, already making plans for next year's ride.

New Arrivals

Girls Outnumber
Boys, Two to One

Girls outnumbered the boys this week at Community hospital as two of the distaff side were born as compared just to one boy.

Thomas Santa Cruz Jr. made his appearance Wednesday at 2:46 a.m., weighing seven pounds, three ounces. The Santa Cruzes live at 402 El Segundo road.

Later in the day, at 2:40 p.m., Mr. and Mrs. Robert J. Salazar were presented with seven pounds, 10 ounces of Linda Delores who will be taken home to 601 East Andreas road soon.

Last arrival came yesterday at 10:28 a.m. She's Ruth Elaine Wittmayer, seven pounds, two ounces who will someday call her daddy Glade Wittmayer and will live at 978 Paseo de Anza.

Name Ecclestone Boy Scout Area Council Leader

Herbert Ecclestone was elected 1951-52 chairman of Palm Springs District council of Boy Scouts of America when the group met last Wednesday night at Frances Stevens school.

The meeting was the last of the season and the next will not be held before August, a council spokesman announced. Other council officers elected were Carl Lykken, first vice chairman; Warren Strebe, second vice chairman; and Lloyd Simon, district commissioner. Committees have not yet been selected.

C. B. Self Elected by County Council

C. B. Self of Palm Springs was elected junior vice commander of Riverside county council, Veterans of Foreign Wars, at a meeting of the organization at Frances Stevens school Saturday night.

James Van Slyke of Arlington was elected commander.

Tolerance Plea Sounded in Talk to Village Club

Speaking to Palm Springs Rotarians last Wednesday on the subject of tolerance, G. K. Anderson of Brawley said that "unless we as individuals start to practice religious and political freedom—and recognize the right of everyone to work—our way of life in America will cease to exist." The educator traced the history and development of the American Colonial area, pointing out that people came here for the specific purpose of religious, political and financial independence.

Anderson made reference to the advantage which Communism has taken of intolerances which exist in this country, and declared that "the Communist doctrine can be spread in the United States only by taking dissatisfied elements and using them against the primary interests of the nation."

Bob Bennett, newly elected president presided at the meeting in the Chi Chi blue room. The speaker was introduced by Rotarian Herbert Foster.

Former Villager Mother of Son

A baby boy weighing 9 lbs. 2 ozs., was born April 25, 1951, to Mrs. Joyce Ann Wren, wife of Harold William Wren, Jr., commissaryman, third class, USN, at the U.S. Naval Hospital, Corpus Christi, Texas, according to word to friends here.

Wren, who is serving at the U.S. Naval Air Station, Corpus Christi, is the son of Mr. and Mrs. Harold William Wren of Edison, Ohio. Mrs. Wren is formerly of Palm Springs.

The baby, named Harold William III, is the first child for the Wrens, who are residing at Route 4, Box 250, Corpus Christi.

Blame Cigaret for Small Fire in Room

An after-dinner cigarette cost \$100 damages Monday evening when firemen blamed it for a blaze at 324 North Calle Encelia. Occupant of the frame apartment building is Mrs. C. R. Hines. Firemen arrived on the double and prevented the minor blaze from spreading further.

UNWANTED HAIR
